

## PEACE THOUGHTS

'If some people are destitute, it is because others have been dulled by affluence. Then we become one more 'Let them eat cake' society where the secure simply assume that the poor are poor because they want to be (or are bad managers of their resources).

As if the poor do not have the needs,  
the desires, the hopes of us all!

'The old clothes we give away will not change  
the nature of life for many.

It will only warm them one more day as they go on dying.

It's what we do to end the dying that counts.

'Every day,' Che Guevara writes, 'we should fight so that love  
for humanity can be transformed into concrete deeds.'

'Only those who live for others as well as for themselves  
ever really live.'

## GOSPEL THOUGHTS Matt 18:15-20

Don't go telling everybody  
and elaborating the quarrel.  
Jesus is giving us a guide to  
dealing with differences  
between us and others.

First, you are to deal with  
it privately motivated by a  
wish to heal things. Secondly a  
group of friends all listening,  
not correcting, are to try to work things out. To go public must  
be a last resort for then the wish to heal has got lost.

'Love your enemies' and 'Father forgive them' is all the same  
message as is 'Forgive us as we forgive others'.

The key to God's wish and Jesus' teaching is to want what is  
best for the one who has hurt you.

## REMEMBERED

own families who have gone before us.

with their 'face covering' to hand,  
you are remembered at every Mass.
