

## PEACE THOUGHTS

The important evolution is the one that happens in ourselves.  
This is the one that makes us aware of all life around us.  
Then we come to realise that we are simply one more part of it,  
not more than all of it.!

'Nature never meant for people to be hungry,  
dispossessed, and drinking polluted water.  
Nature yields more than enough  
for every person on earth to live a decent life.  
So what's stopping that?'

'It is not our kind of life that counts where the world is concerned.  
It is the whole web of life that is important to us all.'

From 'We Are All One' by Sr. Joan Chittister OSB,

**IN YOU IS FOUND  
FORGIVENESS**

'Weeds among the wheat'.  
Jesus' choice of images  
comes from his love of slow  
learners. Don't judge others  
from their present actions,  
but be patient. God is  
patient with you and is even  
now giving all of us another  
chance to get it right.

After our mistakes or just our inability to understand,  
Jesus says that God waits until we might get things right later.  
In love of us, God is putting off 'Harvest time'. Let us use this  
new time well.

Thanks to our team of Volunteer Stewards for  
giving us their time. We can only offer mass when at least two  
stewards are able to be present. Sooo...just this week...

## REMEMBERED

...during Mass with a congregation:  
Fr. John McCormick, Brenda McNamara,  
Broderick family, David Young, Andrea Grant  
and members of our own families  
who have gone before us.  
All families, slowly venturing out  
with their 'face covering' to hand,  
you are remembered at every Mass.

## SYNOD 2020 (2021)

### NEW SCHEDULE June 2021.

What were your joys and anxieties during lockdown?  
Your family experiences, the way society and the Church  
reacted will be valuable material for the SYNOD.

Please send your insights to this website  
[www.synod2020](http://www.synod2020) or the parish.  
Your contributions will be very welcome.

## LET US PRAY

*Come Holy Spirit,  
fill our hearts with wisdom, love and courage.  
Guide us in prayer and action  
as we journey towards Synod 2020  
to become the Church you are calling us to be.  
We ask this through Christ, our Lord.  
Amen.*

## CHURCH DOORS OPEN

...for private prayer and reflection,  
under strict rules,  
Tuesday mornings, St Michael's,  
9.15am 'til 12noon.  
Social distancing.

## PREPARING TO OPEN AGAIN

Visiting church is a one way system.  
You will be encouraged to only move when asked  
and only forward  
and never returning or passing others.  
Only every second bench may be used.  
Social distancing will mean  
about 30 people at any Mass!  
If you can go to Mass during the week, it will take the  
pressure off Sunday Mass. You will need your face mask.  
There will be sanitizing of hands on entering and leaving.  
Communion will be distributed after Mass,  
as the faithful leave church.

All arrangements are to keep you and others safe.  
We're here for you when you feel ready.  
Anyone willing to be a steward?
