

St Michael's Catholic Primary School

With Jesus we can Achieve what we Dream and Believe!

Newsletter 13

12th December 2020

Guion Street, Liverpool, L6 9DU

Website: <https://www.stmichaelscatholicprimary.co.uk/>

Email: contact@stmichaelscatholicprimary.co.uk

Telephone: 0151 263 8460 (Press 1 to report a pupil absence)

Contact Details

In the interest of your child's safety and well being we need:

- * a named adult that can be contacted at all times
- * at least 3 up to date telephone numbers
- * a call if your child is absent from school

If there is no contact a home visit will be carried out. If there is still no contact we may need to call the police for a welfare check.

This week Nursery released a video for new starters. You can see the teachers and the learning environment in the link below.

<https://www.youtube.com/watch?v=MdwBp91-irc>

School closes for the Christmas holiday at 1:00pm this Friday

The parent app provides up to date important information. If you would like an invite to download the app, please call the office on 0151 263 8460

Do you need support this Christmas? Call Mrs Birch for a confidential chat on 07921292412

As part of the Winter Grant Scheme children eligible for benefits related Free School Meals will receive two week's worth of food vouchers to cover the Christmas break. These will be card vouchers rather than online and will be brought home with children before school closes on Friday.

You can apply for free school meals via this link <https://liverpool.gov.uk/benefits/free-school-meals/application-form/>

Online Whole School Nativity

Headteacher's Welcome

Hello and welcome to St Michael's

Head Boy, Head Girl, Deputy Head Boy, Deputy Head Girl

About Us: Headteacher's Welcome, School Ethos, School Values, Our Staff, School Council, Our Governors

Public Health England

With many of us staying indoors it's important we're getting enough Vitamin D to help keep our bones and muscles healthy. Vitamin D is found in foods including eggs, red meat and oily fish but mainly comes from the sun. PHE advise that people not getting enough Vitamin D take a supplement of 10 micrograms (400IU) per day from October to March. For more information go to <https://www.nhs.uk/conditions/vitamins-and-minerals/vitamin-d/>

Diary Dates

Wednesday 16th December— Flu Vaccine
Friday 18th December— School closes at 1pm
Tuesday 5th January 2021—School Re-opens

Self-isolation for contacts of people with confirmed coronavirus will be shortened from 14 to 10 days across the UK from Monday. The change will also apply to people instructed to quarantine after returning from high-risk countries. It means anyone who has been self-isolating for 10 days or more will be able to end their quarantine on Monday. The announcement comes as data shows Covid cases falling in most of England and Northern Ireland.

Coronavirus

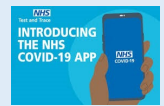

Wash your hands with soap and water more often for 20 seconds

Use a tissue to turn off the tap. Dry hands thoroughly.

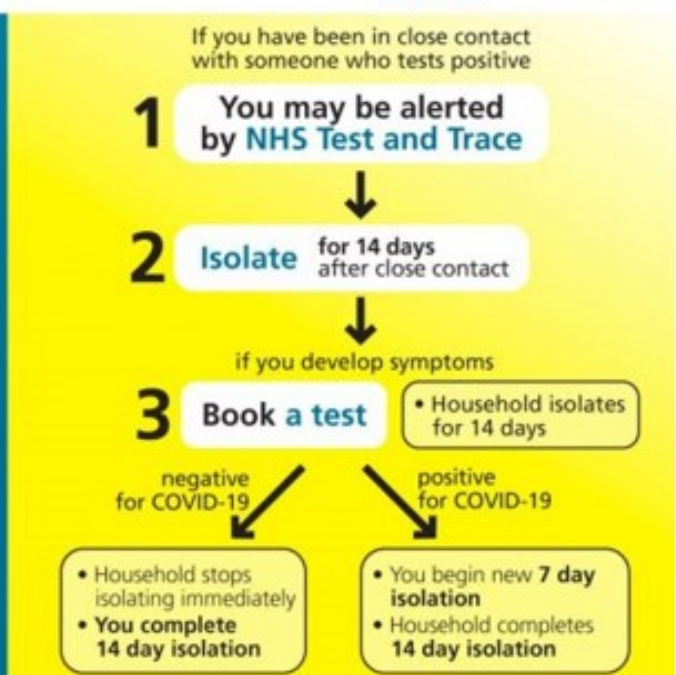

NHS COVID-19 app, now available to download for free in England and Wales, is the fastest way to see if you're at risk from coronavirus. The faster you know, the quicker you can alert and protect your loved ones and community.

The app has a number of tools to protect you, including contact tracing, local area alerts and venue check-in. It uses proven technology from Apple and Google, designed to protect every user's privacy. If your postcode district becomes high risk, the app will let you know – and give you advice on what action to take.

- If you come into close contact with another user who reports a positive test result the app will send you an anonymous alert
- A built-in QR scanner lets you check in to venues quickly and easily
- You can check your symptoms in the app and if they suggest you may have coronavirus, the app is an easy way to get tested
- Any data shared with the app is held on your phone
- Nobody will know who or where you are. You can delete the app and all data at any time
- The NHS COVID-19 app is the fastest way to see if you're at risk from the virus. The faster you know, the quicker you can alert and protect your loved ones.
