Contact Details

In the interest of your child's safety and well being we need:

- * a named adult that can be contacted at all times
- * at least 3 up to date telephone numbers
- * a call if your child is absent from school

If there is no contact a home visit will be carried out. If there is still no contact we may need to call the police for a welfare check.

You can apply for free school meals via this link

Important Notice: Adults must wear a mask at the school gates and on the playground. Let's keep each other safe.

On Tuesday we celebrated St. Michael's Feast Day. Mrs Rigby presented each class with a Peace Lily and a tub of celebrations. Mrs Rigby presented St. Michael's Ambassador Certificates to a child from each class for being a fantastic

role model. Father Fitz was also presented with a Peace Lily.

Year 6 filmed a wonderful assembly for each class to watch in their bubbles. The

Collective Worship themes for the week were 'Courage and Peace.' The children took part in a variety of creative and fun activities.

This week the children embraced National Poetry Day reading, writing and performing poems. View the fantastic day on our twitter page STMPoetry.

CORONAVIRUS

PROTECT YOURSELF & OTHERS

INTRODUCING THE NHS COVID-19 APP

The new NHS COVID-19 app, now available to download for free in England and Wales, is the fastest way to see if you're at risk from coronavirus. The faster you

know, the quicker you can alert and protect your loved ones and community.

The app has a number of tools to protect you, including contact tracing, local area alerts and venue check-in. It uses proven technology from Apple and Google, designed to protect every user's privacy. If your postcode district becomes high risk, the app will let you know – and give you advice on what action to take.

- If you come into close contact with another user who reports a positive test result the app will send you an anonymous alert
- A built-in QR scanner lets you check in to venues quickly and easily
- You can check your symptoms in the app and if they suggest you may have coronavirus, the app is an easy way to get tested
- Any data shared with the app is held on your phone
- Nobody will know who or where you are. You can delete the app and all data at any time
- The NHS COVID-19 app is the fastest way to see if you're at risk from the virus. The faster you know, the quicker you can alert and protect your loved ones.
