

PEACE THOUGHTS

'It is one thing to talk about caring for the poor; it's another to work to make it happen - in our towns, our institutions, in our country. If you want to make a difference, the next time you see someone being cruel to another human being, take it personally!'

'The old clothes we give away
will not change the nature of life for many.
It will only warm them one more day as they go on dying.
It's what we do to end the dying that counts.
Every day you have to struggle
so that your love for humanity can be transformed into concrete deeds.'

What we do and do not do for the poor will determine the level of our own existence. When we provide for others, we enrich ourselves. We become better, bigger souls, with deeper and truer hearts.

GOSPEL THOUGHTS John 10:11-18

"For better, for worse, for richer for poorer.....to love and to cherish...." is an amazing promise. It means to lay down the rest of our life to the 'other', for the whole of life! We could only make such a promise and see it through if we have a deep love. Family love and best friend's love is built up on daily and unnoticed acts of generosity. Love that we take for granted and always rely on is essential for each of us to become all we are meant to be.

Jesus declares, especially at Easter time, that we are so wanted by God. Loved we are filled with energy and confidence to be able to love the other. In God's plan every person we meet is entitled to know such love from us. Only then are we the person God made us to be. We are to lay down, spend, our life for those we meet.

Are we Easter people ready to lay down our life; let Christ within us out into our dealings with each other?

SYNOD 2020-2021-2022 PROGRESS IS HAPPENING

Go on line: synod2020.co.uk

1

Next weekend and in the subsequent weekends your
Synod members will be sharing the 19 recommendations
that are a result of the journey we have been on over the past
two years. From sharing the themes at weekend mass and inviting
your feedback we have now arrived at the recommendations-
it will be the task of your Synod members to vote in June on
these recommendations.

We will give you a written summary of the recommendations and
invite you to prioritise those you feel are most important- we look
forward to your feedback in the coming weeks.
The recommendations are also summarised in the Catholic Pictorial
and on the website www.synod2020.org.uk. Speak to one of your
members if you have any queries (Jan, John, Samwin & Fr Fitz).

After the SYNOD

A Pastoral Plan Group will turn the results of the SYNOD into a plan
for the future development of the church in our district/archdiocese.
The growth of the local church will be influenced by the priorities
and values of local families.

The Plan will be given to us on the
1st Sunday of Advent 28th November
(the Church's new year)

LET US PRAY

Come Holy Spirit,

fill our hearts with wisdom, love and courage.

Guide us in prayer and action

as we journey towards Synod 2021

to become the Church you are calling us to be in 2022.

We ask this through Christ, our Lord. Amen.

Remain careful for
those you love and meet.
STAY CAUTIOUS!

LOCK DOWN GUIDANCE

DANGER * DANGER * DANGER

The feast of Easter and the sunshine has resulted in many more
people trying to attend Mass. 'Trying' because there is no room!!!

Some parishioners cannot come in
after 50-60 have arrived before them.

The Archbishop wants you to know that your obligation, in this
'Lock Down' period, can be fulfilled during the week. YES! You can
attend mass Monday, Tuesday, Wednesday, Thursday or
Saturday and take the pressure off Sunday morning.
Let us all work to avoid another Lock Down.

The guidance for Places of Worship.

You can leave home to attend/visit a place of worship.

If you do, you should follow the protocol of

Hands, Face and Space. There must be no clustering.

Opening is possible because of the service of our stewards who
welcome, guide and then clean the church after you have left.
The government has heard of the safe, one-way system in our
churches and know you are not likely to catch anything or
infect others if you visit church and strictly keep to 'One Way'.
