Pupil Progress Telephone Calls for all parents/carers April 2021

In light of our Covid Safe restrictions and regulations we cannot invite parents and carers into school for a typical parents meeting. However it is still very important we have an opportunity to share with you how your child has settled back into school and the progress they are making with their work. It is also a great opportunity for you to ask any questions. Each parent will be given a five minute time slot for a telephone conversation with the class teacher. The teacher will call you from a school telephone and they will only be able to talk to you at this time so they are not late for the next scheduled call. Please ensure you have your telephone on and are ready to take the call. The teacher will make a maximum of two attempts to call you on the class dedicated day. If you require a longer call the teacher will note this and arrange a follow up conversation on another day.

Building Work in school

Our Reception area, offices and other staff spaces are almost complete. You may have noticed the new structure to the main entrance which is a big difference from our previous entrance. We are excited to start to using these facilities later this half term and look forward to welcoming parents into our new Reception area in the near future. Thank you once again for your support and patience during this building work.

Collective Worship

In Collective Worship this week we have explored the themes of Joy & Happiness reflecting the Gospel teaching with a focus on 'Be Happy, Be Healthy.'

Gather
Let's prepare for ourselves for our Assembly with some music.

This week our Collective Worship themes are **Joy & Happiness!**

Joy & Happiness

Today we are going to hear about how the disciples were hiding and afraid, but Jesus appeared to them and made them feel strong.

He brings them peace.
A time to celebrate new life.

Let's begin our assembly by making the Sign of the Cross together.

Listen

The Purpose of This Book

In his disciples' presence Jesus performed many other miracles which are not written down in this book. But these have been written in order that you may believe that Jesus is the Messiah, the Son of God, and that through your faith in him you may have life.

Then he breathed on them and said to them, "Do you believe in me?" They answered him, "Yes, Lord, and my faith is because you have made us see that we are forgiven; if we do not forgive them, they are not forgiven."

Loving Jesus,
Help us always to believe in you and to spread your hope and peace wherever we go.
Help us also, to spread joy & happiness in our actions towards others.
Amen

Respond

Second Sunday of Easter
Gospel: John 20:19-31

But then Jesus came and said to them, "Peace be with you."

Can you remember how Jesus came back to life?

Jesus came back to life and he brought peace to his disciples.

He tells them to go and tell the good news to all the world.

Go Forth

Loving Jesus,
Help us always to believe in you and to spread your hope and peace wherever we go.
Help us also, to spread joy & happiness in our actions towards others.
Amen

Happy Easter
THE SPIRIT OF EASTER IS ALL ABOUT Hope, Love, and Joyful Living.

PEACE BE TO YOU

EDUCATION DEPARTMENT, CHRISTIAN EDUCATION
REFLECTION & NEWSLETTER SPRING 2021.

The year 2020 was earmarked as a focus on the Bible and 'The God Who Speaks'. The campaign is now continuing throughout 2021. As Christians we are encouraged to celebrate, live and share God's word throughout this exciting Scripture initiative led by the Catholic Bishops' Conference of England and Wales and the Bible Society. It began in September 2020 on the Feast Day of St. Jerome and was chosen specifically as it was the 10th anniversary of Verbum Domini - Pope Benedict XVI's Apostolic Exhortation on 'The Word of the Lord' and it was the 1,600 anniversary of St Jerome's death. It was also seen as response to Pope Francis' Apostolic Exhortation Evangelii Gaudium - the Joy of the Gospel.

What to do if your child has Covid Symptoms?

If your child develops a new and continuous cough or a high temperature, or has a loss of, or change in, their normal sense of taste or smell they must stay at home to begin isolation – the isolation period includes the day the symptoms started and the next 10 full days.

Please inform school on the first morning of absence and

keep school updated throughout. You must arrange for them to have a PCR Covid test as soon as possible. Further details of how to book a test is available on the link: <https://www.gov.uk/get-coronavirus-test>

Other members of the household, including any siblings, should self-isolate. If your child has a negative result and is feeling well they should return to school. People who are sick with coronavirus may have other symptoms like the flu, including body-aches, headaches, sore throat and tiredness, shortness of breath, nausea or diarrhoea. If your child has these symptoms it is important you also consider booking them a PCR test. If they don't have the main symptoms of coronavirus, they do not need to isolate until they get their result, however they do need to continue to take the usual measures to protect and others from illness, such as regular hand washing.

If you have any questions or concerns remember we are here to support you. There is always someone available in school during office hours to listen and help. (T: 0151 263 8460 – 8.15am- 4.30pm) or email michaels-ao@st-michaels.liverpool.sch.uk

With many of us staying indoors it's important we're getting enough Vitamin D to help keep our bones and muscles healthy. Vitamin D is found in foods including eggs, red meat and oily fish but mainly comes from the sun. PHE advise that people not getting enough Vitamin D take a supplement of 10 micrograms (400IU) per day from October to March.
