

St. Michael's Catholic Primary School

School Uniform September 2018

Dear Parents/Carers

We are all very proud of our uniform here at St. Michael's. I am sure you will agree it is very smart, practical and styled in the school colours. School uniform ensures children arrive in school looking smart and ready to learn. It also gives the children a feeling of school identity, equality and more importantly a real sense of belonging. Also, and I say this as a parent myself, uniform is quick and easy to wash ready to wear again! Mrs Rigby
