Tuesday 13th July 2021

End of Year Pupil Reports are ready for Year 6

Today (Tuesday 13th July) the end of year reports will be available for all parents and carers to collect from school.

They will be available at the end of the school day.

Year 6

Today you will need to collect your child from school so you can also collect their school report. If you have another nominated responsible adult who collects your child the report will be given to them.

We cannot send the report home with your child. If you are unable to come today the report will be ready for your collection from the school office from tomorrow.

Any reports not collected by the end of the week will be sent via the post to the child's registered home address.

I have had the pleasure of reading and commenting on all the reports across the year 6. I am confident you will be very happy reading about the many school successes your child has achieved this school year.

Happy Reading and Best Wishes

Mrs Alyson Rigby
