

# Visitor Information

Covid-19

**ST MICHAEL'S CATHOLIC  
PRIMARY SCHOOL**

# Covid-19 Visitor Information

St Michael's Catholic Primary School continues to take guidance from Liverpool City Council and Public Health England. Taking this into account, we are now limiting access to the site to essential visitors only. Visitors deemed essential should adhere to the requirements in this leaflet.

## Covid Testing

We strongly advise all visitors to take a Lateral Flow Covid Test before coming into school. This is especially important for regular visitors such as Music Teachers, Sports Coaches and other support services. Rapid lateral flow tests can be picked up a pharmacy to take at home or you can visit a test site – see link for details of test sites in Liverpool.

### Do not enter the school if:

- you have a high temperature, a new, continuous cough or a loss or change to your sense of smell or taste.
- anyone in your household has Covid, symptoms or you are required to self-isolate in accordance with Government guidelines.

**All Visitors must follow our Covid-19 Risk Assessment which is available on the school website:**

# Measures to prevent the spread of Covid-19

## To be adhered to by all visitors

- **ALL VISITORS** must wear a **Mask** on entry to school and all communal areas until they reach their destination e.g. Hall, Classroom, Meeting room and wear when in room wherever possible.
- **Use hand gel** provided **on arrival/on leaving reception**.
- Complete the paper visitor log, answering all questions.
- You will be provided with a lanyard and plastic entry card if required – these are washed thoroughly after each use.
- Minimise contact with individuals and **maintain social distancing** from others wherever possible.
- **Wash hands thoroughly** and **frequently** during your visit either with hand wash or hand gel provided.
- Refrain from touching surfaces as much as possible.
- Ensure good respiratory hygiene whilst onsite by using the **'catch it, bin it, kill it'** approach.
- If closer contact is required PPE must be worn (e.g. Specialists, therapists and other support staff for pupils with SEND). Masks, face visors and gloves are available. Please ask at Reception or your staff contact in school.
- PPE must be disposed of appropriately.
- If you become symptomatic you must alert a member of staff immediately and will be sent home.
- Engage with the NHS Test and Trace programme.
