‘Keeping us safe workshop’ for years 5 and 6

This Friday afternoon, 3rd December, there will be a special workshop for year 5 and 6 pupils in school. We have organised this workshop for our older children to get a better understanding of how the police help to keep us all safe. After the significant police incident two weeks ago just off Boaler Street where there was a strong police presence we want to give children the opportunity to find out the role of the police and how they keep us safe during police incidents.

This was an idea that was suggested by several parents at our Community Cohesion workshop last week.

We are hoping to have a police horse, police dogs with their handlers and some marked police vehicles and a number of police officers.

The children will have an opportunity to ask questions and share any ideas of what would help them to feel safe in the community.

If you do not want your child to take part please complete slip below.

Thank you for your support
