Relationships and Sex Education (RSE)

Dear Parent/Carer

Following guidance from the Conference of Bishops of England and Wales, our Governing Body have agreed that Relationships and Sex Education (RSE) will be delivered through the '**Journey in Love**' Scheme of Work. This is underpinned by our Catholic Vision and teachings of the Catholic Church.

We acknowledge that parents and carers are the key people for children learning about relationships and sex education, the foremost educators.

Aspects of relationships and love are covered through a series of progressive, developmental tasks for each year group. They are age appropriate.

**Year 6**

The week beginning **Monday 28th June** Year 6 children will be taught the year 6 modules of the Catholic RSE programme. In advance of teaching this we would like to share with you the key themes and the content. This will be through a Zoom meeting - details are below. Most of the content is statutory as it is part of the year 6 national curriculum, however there are a few elements which are not.

Thus if you do not wish your child to be included in these non-statutory elements you will need to put this in writing to me. You have the right to withdraw your child from these lessons. If this is the case, we invite you to discuss this with us beforehand.

As with all aspects of learning, children are naturally curious and many will have questions related to their lessons. Opportunities to discuss questions form part of the lessons and again these are treated with care and understanding.

A Journey in Love' highlights the importance of parental input and children will be encouraged to discuss their lessons at home.

We have delivered this programme for several years and feedback from parents and children has been very positive with 100% participation.

### **Information Zoom Meeting –year 6 parents/carers**

We are hosting a parent/carer Zoom meeting for any parent or carer who would like to find out more information - 2pm on Wednesday 23rd June. If you would like to attend please send a request via our school contact email address.
