## Keep In Touch

In the interest of your child's safety and well being we must be able to contact a named adult during school time.

**IMPORTANT  
INFORMATION**

## Message From The Headteacher

Dear Parents/Carers

We will be hosting our Autumn Parent/carer evening on **Wednesday 24<sup>th</sup> November**. The original date was Wednesday 17<sup>th</sup> November -apologies for the change in date. The date change is to accommodate setting up an IT system called School Cloud. This system will allow us to hold the meeting virtually through a video call. Many secondary and primary schools are now using this video call system successfully to have virtual face to face meetings with parents.

To ensure we keep everyone as covid safe as possible I do not feel it would be wise yet to have the more traditional (pre-covid) in-person face to face meetings across school, however this video call system will help to make your conversations about your child/children with teachers more personable.

More Information about this system and login details will be sent early next week.

## Remembrance Day

On Thursday 11<sup>th</sup> November at 11 am we observed a 2 minute silence across the school to remember those who have died in wars and other conflicts. This Sunday it is 'Remembrance Sunday'.

I wish you all a wonderful and safe weekend -Alyson Rigby

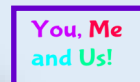

**Football** St Michael's played their first game in the LFC Foundation league this week at Anfield Youth Centre. In a tight game against St Anne Stanley, and played in great spirits, St Michael's were worthy winners. The match finished 5 - 3 with a hat trick from Siem and 2 goals from Dominique. The players attitude and effort was 100% and has put them in good stead for the next match.

## Anti-Bullying Week (next week)

**Monday**—Wear odd socks

**Wednesday**—Altru Show

**Friday**—Children in Need Day. Wear own clothes

**Anti-Bullying  
Ambassador Awards**

The children will take part in a variety of activities which raise awareness of bullying and highlight ways of preventing and responding to it.

This week in **Collective Worship** our theme has been tolerance and respect. In Collective Worship the children have reflected on what tolerance means and appreciating differences. In Come & See children have been learning about Islam and Hinduism, and deepening their understanding of each other's faiths. On Thursday, our Collective Worship was linked to Remembrance Day and we held a minute's silence for all those who have lost their lives because of conflict and war.

**Tolerance & Respect**

Mark 12:38-44

As he taught them, Jesus said, "Watch out for the teachers of the Law, who like to walk around in their long robes and be greeted with respect in the market place, who choose the reserved seats in the synagogues and the best places at feasts. They take advantage of widows and rob them of their homes, and then make a show of saying long prayers. Their punishment will be all the worse!"

As Jesus sat near the temple treasury, he watched the people as they dropped in their money. Many rich men dropped in a lot of money; then a poor widow came along and dropped in two little copper coins, worth about a penny. He called his disciples together and said to them, "I tell you that this poor widow put more in the offering box than all the others. For the others put in what they had to spare of their riches; but she, poor as she is, put in all she had—she gave all she

**Tolerance & Respect:** What does tolerance mean?

**Tolerance means...** appreciating and respecting differences in people.

Loving God, you are known by many different names, by many different peoples. Help us to be slow to argue and quick to listen. And help us to live and learn and love together in harmony. Amen

Wednesday 10<sup>th</sup> November

**Tolerance & Respect**

Children's choice of scripture perhaps from 'God's Story' or a previous Collective Worship.

How can we show our respect for other faiths?

Wednesday 10<sup>th</sup> November

### Tolerance & Respect: Romans 2:10-11

Living together in peace.

Loving God, you are known by many different names, by many different peoples. Help us to be slow to argue and quick to listen. And help us to live and learn and love together in harmony. Amen

Loving God, you are known by many different names, by many different peoples. Help us to be slow to argue and quick to listen. And help us to live and learn and love together in harmony. Amen

### Tolerance & Respect: Joshua 4:4-8

Loving God, you are known by many different names, by many different peoples. Help us to be slow to argue and quick to listen. And help us to live and learn and love together in harmony. Amen

## Year 6 Church Visit

On Tuesday, year 6 visited St Michael's Church for a collective worship. The children were very excited

to visit the church and lead our Collective Worship on Tolerance and Respect. We enjoyed speaking to Fr Fitz about the church and found out some things we never knew before as we explored the church.

*Shared Write -  
Witch's potion*

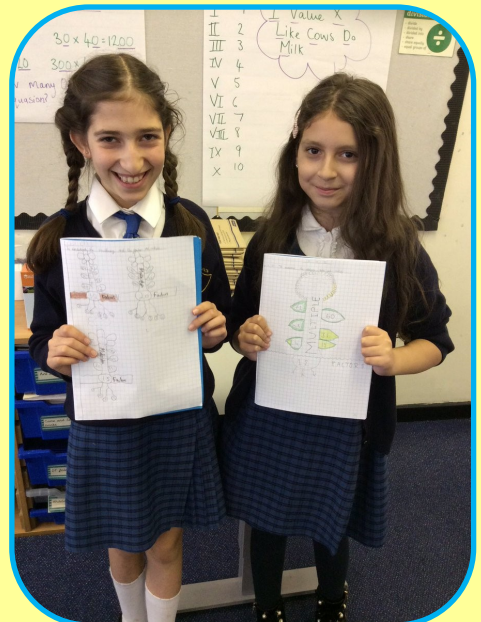

Glimmer, shimmer, evil eyes;  
Fire light, and cauldron rise.  
Whisker of a coal-black cat,  
Teeth of mammoth, wing of bat,  
In the cauldron, stir a lie,  
Werewolf's fang and young child's cry,  
Mix and stir, burn and blister,  
Join with me, together, sister!  
Glimmer, shimmer, evil eyes,  
Fire light, and cauldron rise.

The Champions are enjoying being back at school this term, working hard and loving all our new topics. We are all excited about our new **English** topic, it has us hooked as we look at a Shakespeare Classic – Macbeth. The children have loved looking at the witch's spells, playing with language and creating their own before we get stuck into the text.

This term in **Come and See** we have been learning about the Five Pillars of Islam, we loved finding out about each pillar and their meaning. We found it fascinating, especially discovering the journey Muslims make to Makkah.

For **Maths** we have been working hard on our multiplication and division as we to get to grips with multiples, factors and prime numbers.

We are loving our new **Science** Topic Natural resources, we found it so interesting finding out all about exhaustible and renewable resources. We were surprised to discover the amount of natural resources in everyday products like electronic devices and engines.

Our **PE** lessons have had us behaving like gymnasts as we have been develop our core strength and improving our balancing skills.

Our **Music** lessons have got us all feeling the Christmas spirit as we have been practicing carols ready for a service later this term.

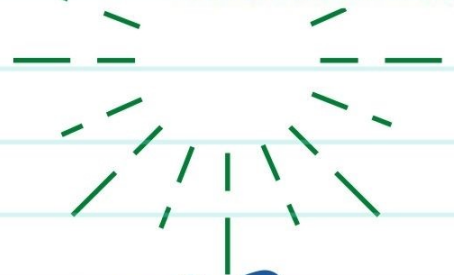

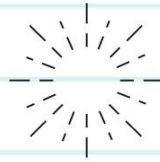

Thank you to our parents and carers for your continued support and remember to follow our twitter page to keep up to date with all our wonderful activities.

The children below have gone Above and Beyond in school this week. They have been rewarded with a certificate and a hot chocolate with cream, marshmallows and biscuits.

Well done!
