achieve what we
dream and believe”*

Date: 30/11/2021

Dear Parent or Carer,

We have been made aware that a member of our school community attached to Year 1 has tested positive for COVID 19.

In order to keep our school community safe and our children in school there are things you can do to help reduce the risk of you and anyone you live with getting ill with COVID-19

Household testing

Eligible household members should do a rapid test twice a week (every 3 to 4 days) to check if you have the virus. If people test positive and self-isolate, it helps stop the virus spreading. Even if you're vaccinated, there's still a chance you can pass COVID-19 on, so you should keep getting tested regularly. To access home test kits, please see the following link below: <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>

How to stop COVID-19 spreading

- wash your hands with soap and water often – do this for at least 20 seconds
- use hand sanitiser gel if soap and water are not available
- wash your hands as soon as you get home
- cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze
- put used tissues in the bin immediately and wash your hands afterwards

Further Information

Further information is available at <https://www.nhs.uk/conditions/coronavirus-covid-19/>

Symptoms of COVID 19

If a student develops COVID-19 symptoms they should take a PCR test and isolate. COVID-19 symptoms are:

- new continuous cough and/or
- high temperature and/or
- a loss of, or change in, normal sense of taste or smell (anosmia)

For most people, coronavirus (COVID-19) will be a mild illness. You can seek advice from NHS 111 at <https://www.nhs.uk/conditions/coronavirus-covid-19/check-if-you-have-coronavirus-symptoms/> or by phoning 119.

Yours sincerely
Alyson Rigby
