

18th March 2022

# Year 4 Times Tables Test

Maths Workshop

# What is the check?

The multiplication tables test check is an **online test** for students in Year 4. The children are asked **25 questions** on times tables from 2 to 12. They are given **6 seconds per question** with a **3 second rest** in between each question. The test should last around **5 minutes**.

The times tables most likely to come up are the **6, 8, 9 and 12** as these are the hardest for the children to learn. These are good to focus on!

# When is the check going to happen?

The Times Tables Check will be administered in the three-week period starting on Monday 6th June 2022.

2022 JUNE						
SUN	MON	TUE	WED	THU	FRI	SAT
			1	2	3	4
5	6	7	8	9	10	11
12	13	14	15	16	17	18
19	20	21	22	23	24	25
26	27	28	29	30		

# Home Learning

## Times Tables Packs

Things we are going to send home

# What is in the packs?

In your child's pack, they have:

- Times Tables Practice Book
- Pencil
- Dry wipe board to write multiplication and division facts on
- A times tables bookmark
- Whiteboard pen
- Times Tables spinner game

# Some ideas for working with your child at home

## Times Tables Practice Books

Give your child a set time to answer as many questions as they can. Spend some time talking about their answers, marking their work and fixing any answers they may have struggled with.

## Times Tables Spinner

Spin the spinner, put the number in the first empty box. Spin it again to get the number your child needs to multiply by. Put the answer in the box after the equals sign. These boards can be drawn on with the whiteboard pen and rubbed out easily.

# Useful Websites

- <https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check> - this is used in class as it is the same layout as the **Times Tables Check**
- <https://learnyourtables.uk/>
- <https://www.topmarks.co.uk/maths-games/hit-the-button>
- <https://www.tutorhunt.com/tutor-bot/>

# Thanks!
