*"With Jesus, we can
achieve what we
dream and believe"*

Monday 14th March 2022

Dear Parents/Carers,

We would like to invite you to a **'Year 4 Multiplication Check'** information workshop for parents and carers of year 4 children.

These workshops will take place on **Friday 18th March at 9:05am and 2:30pm (you only need to attend one session).**

This session will give you essential information about the statutory multiplication check that all year 4 pupils will complete starting the week beginning 6th June 2022.

Parents/carers who attend will also be given a free pack to help them support their child. This pack will contain workbooks, games and incentives to encourage your child to practice their times tables at home. It will also include a white board and pen for practicing rapid recall and playing multiplication games.

Thank you for your support and we look forward to seeing you on Friday,

(Ms Duncan and Ms Forbes)
