

PEACE THOUGHTS

When you forgive, you in no way change the past -
but you sure do change the future!

Bernard Meltzer

Forgiveness is not always easy.

At times, it feels more painful than the wound we suffered,
to forgive the one who inflicted it.

And yet, there is no peace without forgiveness.

Marianne Williamson

I learned a long time ago that some people would rather die
than forgive. It's a strange truth, but forgiveness is a painful
and difficult process. It's not something that happens overnight.

It's an evolution of the heart.

Sue Monk Kidd

Resentment is like drinking poison
and then hoping it will kill your enemies.

Reconciliation does not mean forgetting or trying to bury the pain of
conflict. Reconciliation means working together to correct the legacy of
past injustice.

GOSPEL THOUGHTS Luke 15; 1-32

"Where did I leave those keys?!?!!" How often have you
lost something you're looking for? Can you remember your
feelings at the time? Does your first curiosity turn into
desperation and then a touch of panic? What a relief when
you find them!

Jesus is keen for us to know what his Dad, Our Father, is
like so he tells us three stories. Enjoy the stories and delight
in his imagination and his wish to teach us. The details in his
parables are not to be lost. We must sit with these tales and
allow Jesus to reach us with feelings and emotions.

We are the ones sought out. The Son returns because he is
hungry; not the best of situations. The hard working one is
angry. Despite their less than best attitudes the
Father is keen to welcome
and celebrate with both of
them.

What is Our Father like?

REMEMBERED
