Further information on applying for a Secondary place:

How does this work?

- You can only apply online for a **Secondary Year 7** place for schools if you live in Liverpool. If you live outside Liverpool and want to apply for a school here, you must apply through the education authority where you live. For all other places please see our [Other applications page](#).
- **Once you have created an online applications account**, you can apply for up to three schools for up to five schools for Secondary Year 7.
- Some schools (mainly faith schools) also ask you to complete additional paper forms that must be sent directly to them.

Step 1

- a. Find the schools you are interested in.
- b. Read the relevant policies for each school.

Help with applying

Before you apply you must register for an account first. If you have used the system before to apply for a school, you will already be registered. If you have forgotten your password, just select 'forgotten password' to reset it.

You can also visit our [Get help](#) page for further information about choosing and applying for schools.

This page also has additional documents you may want to read, including the primary and secondary co-ordinated policies which explain how school places are allocated.

Children have taken home a letter today inviting parents and carers to a Class Welcome & Year 7 Application Meeting after school on Thursday 22nd September. At this meeting, class teachers will explain the process of applying for a place in a Secondary school.

Best Wishes
