

Message from the headteacher

Friday 24th February

Guion Street, Liverpool, L6 9DU

Newsletter Friday 24th February 2023

Dear Parents/ Carers,

We have had another very busy and exciting week in school with our Year 4 visit to a Roman Museum in Chester and Year 6 residential visit to Winmarleigh Hall. Children have had an amazing time! There are updates on these in this newsletter –enjoy reading about them.

National Education Union Strike Action

A gentle reminder that our school will be **partially** closed on the following dates:

Tuesday 28th February 2023, Wednesday 15th March 2023, Thursday 16th March 2023.

The classes closed on the above dates are:

Nursery – morning and afternoon sessions

Heroes class – year 3

Hot Shots class -year 4

High Flyers class – year 5

All other classes in school will remain open as normal.

World Book Day

Next Thursday, 2nd March, is World Book Day, and we will be spending the day in school celebrating reading. On this day, children can come into school dressed as their favourite book character if they would like to - teachers will be doing the same!

The whole school will be focusing on the same book for the day - We're All Wonders by R.J.Palacio - exploring the text and doing lots of different activities based around it.

Wonders by R.J.Palacio - exploring

As part of the day, we will also be holding our own Book Swap here at St. Michael's. Children can bring in an old book from home and exchange it for another one to read.

Children will all take home a £1 book token, valid until 26th March, which can be used in most book shops and supermarkets to purchase one of the free World Book Day books, or to get £1 off the cost of another book. Follow the link below to choose which £1 book you'd like to read - there are so many to choose from!

With Jesus we can Achieve what we Dream and Believe!

Winmarleigh Hall

From Wednesday to Friday, our wonderful Year 6 Children have been on a residential trip to PGL at Winmarleigh Hall, in Lancashire. They have taken part in many incredible and exiting activities included canoeing, abseiling, giant swings and rock climbing. The children have loved their experience and we are sure they have all learned so many new skills and gained a new confidence from their trip.

With Jesus we can Achieve what we Dream and Believe!

Roman Museum Trip

On Tuesday 21st February, Year 4 went to Chester, to the Deva Roman museum. They marched like Roman soldiers through the streets of Chester, and explored what the soldiers wore and how they bathed. They have been learning all about the Roman Empire in History and this experience really enriched their learning. This week we looked at how Hadrian's wall was defended, and the children could use this experience to think what it must have been like for the soldiers

PE DAYS:

Reception: Monday & Thursday

Y1: Monday & Friday

Y2: Thursday

Y3: Wednesday & Thursday

Y4: Tuesday & Friday

Y5: Friday

Y6: Wednesday

All clubs finish at 4:15. Collection for Infant clubs is Infant gate. Junior clubs is Junior gate.

Equality: Psalm 82:3

Doing the right thing for others

Defend the rights of the poor and the orphans;
be fair to the needy and the helpless.

How can we help to make the world a fairer place?

What can you find out about Fairtrade?

Dear God,
We pray for people around the world who grow and produce the things we eat and buy.
We pray that they get a fair price for the things we buy from them.
We pray that buying Fairtrade goods helps to create a better and fairer world.
Amen

Celebration

Mathematician of the Week

This is the Superstars mathematician of the week. He won because he has been working hard during continuous provision, taking part in maths challenges around number bonds and doubling numbers. He has shown excellent retrieval practice by identifying one more than a given number using the number fans. This week he has grown in confidence when doing simple equations and has been using objects to help him find the answer. We are so proud of him! Well done.

CHAMPIONS - YEAR 6	96.7%
Totals	96.3%

Well done to the **Quick Thinkers** of the Infants, and the **Olympians, High Flyers and Whizzkids**, of the Juniors, for achieving the highest attendance this week. Let's keep on pushing for 100% attendance, 100% of the time!

EVERY SCHOOL DAY COUNTS

Attendance Ladder

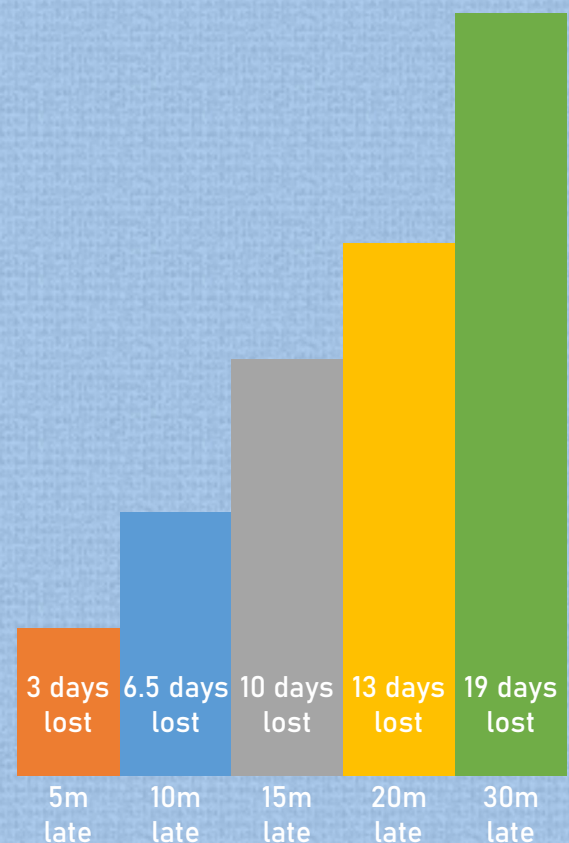

Regular attendance at school is the single most important factor in a child/children making appropriate progress and achieving success. Good, regular and punctual attendance means doing well academically, developing better relationships with other children and positive behaviour. It also sets up good habits for when young people enter into work and life.

We aim for average school attendance to be 97%. There are 190 days in a school year which leaves 175 days to spend on family time, shopping, appointments and other things.

It is also important to arrive at school on time. If a child arrives late to school every day, their learning begins to suffer. This graph shows how being late to school every day over a school year adds up to lost learning time.

Easter Attendance Initiative

**EVERY
SCHOOL DAY
COUNTS**

WE HAVE 6 WEEKS LEFT OF THIS TERM. IF YOU HAVE FULL ATTENDANCE IN AT LEAST 4 OUT OF 6 WEEKS YOU CAN WIN SOME FANTASTIC PRIZES INCLUDING:

AN EASTER HAMPER, CHOCOLATE EASTER EGGS AND GOODIES.

Every Friday, children who have 100% attendance for the week will receive a sticker to stick on their own personal chart.

**COME ON ST MICHAEL'S LET'S SEE HOW MANY WEEKS
WE CAN ACHIEVE 100 % ATTENDANCE**

Class Focus: Nursery

Maths

In maths we have been learning how to count objects and say one number for each object. We have been trying hard to remember how many objects we have counted when we get to the last object. We have also enjoyed making repeated patterns with objects, for example: stick, pinecone, stick pinecone, stick pinecone.

RE

Over the last few weeks in RE we have been focusing on our topic, 'Gather'. We have read a story about a child that had to stay off nursery because they were unwell and how they missed learning and playing with their friends. We then explored what things in nursery we liked to do together with our friends.

PSE

In Nursery we have been learning about strategies that we can use to help us with our emotions. We know some breathing techniques to help us when we feel upset or frustrated. We are learning how to soothe ourselves when we do feel sad.

We are continuing to play alongside our friends and are learning how to share with each other. We know that some things are ours, some things are our friends, and some things are everyone's.

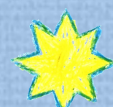

Reading

This week we have been reading 'Jack and the Beanstalk'. We like how the magic beans grew into a giant beanstalk. We have also been reading lots of stories with our teachers in our book corner.

Writing

To get ready to write we complete a 'Funky Fingers' challenge daily – this involves using the muscles in our fingers to complete the challenge. This strengthens the muscles what are used when we write; the challenge could be using tweezers to place pompoms along a pattern.

Dates for your Diary/Upcoming Events

Please note these are subject to change or may be added to so please check these events every week!

February

Tuesday 28th

- International Mother Tongue Day—Celebrating different languages in school

March

Thursday 2nd

- World Book Day

- Little Big Library Visit for a selection of Y6 Pupils

Liverpool
City Council

The ASD Training Team

The Liverpool ASD Training Team are providing a series of Virtual Group Drop in advisory sessions via zoom. They are for parents/carers who have any questions or concerns about their child, in regard to social communication difficulties or waiting an ASD assessment. It is also an opportunity to speak with an ASD trainer and other parents. The sessions will be one half hours long, you can choose to join anytime with in the time slot or stay for the duration. You do not require a diagnosis to book your place.

Date:

Friday 10th March Time: 9.30am – 11am or 1pm -2.30pm

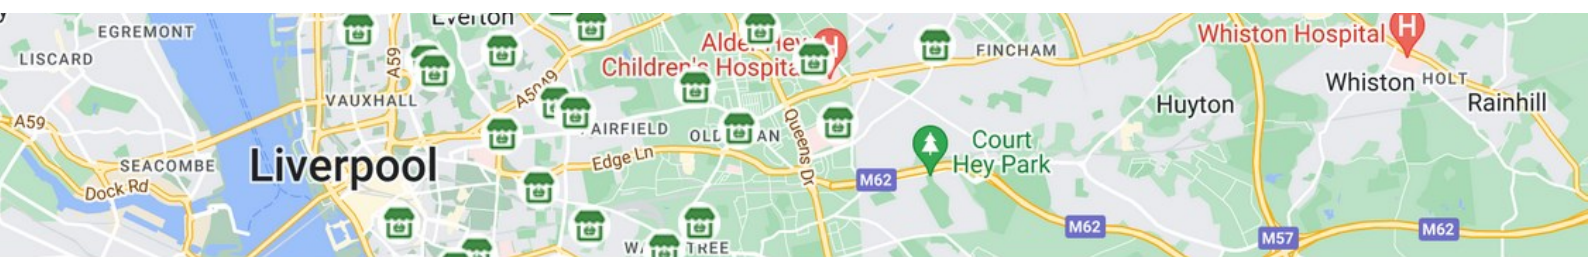

If you would like to book onto one of the sessions, please email: asdtrainingteam@liverpool.gov.uk

Community Food Spaces are places where local people come together around good food.

- They are commonly led by local community members and local community organisations.
- They have good food at the heart of what they do, with many also connecting with activities or services beyond food.
- They play a part in tackling local food waste, often using surplus food that would otherwise have gone to landfill.

If you are interested in making new friends, saving money on your food bills, volunteering in your local community or tackling local food waste, use this map to find Community Food Spaces in your local area.
