

PEACE THOUGHTS WOMEN'S HISTORY MONTH

*Jesus protected women,
empowered women,
honoured women publicly,
released the voice of women,
confided in women, was funded by women,
celebrated women by name, learned from women,
respected women
and spoke of women as examples to follow.
Our turn!*

We need women who are so strong they can be gentle,
so educated they can be humble, so fierce they can be compassionate,
so passionate they can be rational and so disciplined they can be free.

GOSPEL THOUGHTS John 4; 5-42

"Don't judge a book by it's cover". Our first impression of others cannot be relied on. It is in conversations that we reveal ourselves and discover the other person.

Talking and listening is holy activity. God made that other person to be your mate and created you to befriend them. It is in 'knowledge' of each other that we receive the gifts God has for us.

We cannot survive without the 'water' of friendship welling up within us. Jesus and the woman at the well did not know each other until they settled in a conversation. They discovered each other and the whole town welcomed Jesus and he stayed two days instead of passing by.

Let us get on with talking and treasuring what we discover and reveal. **GOD IS PRESENT.**

REMEMBERED

John McIntyre, Bernadette Walls, Florence Slater,
Elizabeth Davies, John Hynes,

PASTORAL PLAN

Deanery Synodal Council

<http://liverpoolpastoralplan.org.uk>

In February at the Cathedral

there was an historic meeting of the Deanery Synodal Council
and The Clergy Deanery Meeting.

The church locally setting up ways of listening and serving.

We are not only to take but to give.

Your experience and skills are how you are to give.

God is there for us. We are used to asking for our needs.

God is calling us, inviting us to join in the work of being there for each
other. There are to be lots of opportunities for formation as we are all
called to 'leadership'. The structures and relationships in the
Archdiocese are all to be realigned so we look outwards to all around
us instead of simply looking after ourselves.

One of the four sign posts that emerged from the work that we in our
local church have been doing over the last few years is
"Embed synodality in every aspect of archdiocesan life."

member, setting up a standing order or giving a donation.
Some of these people are part of our own community.
