

St Michael's Catholic Primary School

School Council Minutes 14th December 2022

1. Present: All

2: Apologies

3: Attendance

We talked about attendance prizes and what we could do to improve attendance and make children feel more included in the choices.

We decided that each councillor would take a survey, created by the councillor for Inspirations, and deliver it to their class. This would then be fed back to Ms Hayes and Mr Smith to inform the choices of prizes for attendance.

4: Fantastic Walking

We talked about making the monitors better by getting hi vis vests and doing some training with them.
