

St Michael's Catholic Primary School

School Council Minutes 8th Feb 2023

1. Present: All

2: Apologies None

3: Outdoor Library Spaces

We shared feedback from each class. Most popular suggestions were:

Books in baskets that could be moved around

Cushions, blankets and bean bags.

We wanted more information on how much budget we have and what we can afford to buy.

4: School Council Notepads.

We would like to have notepads so we can record information from each councillor, for each class to bring to meetings as reminders.
