living, loving, learning and working together

*'With Jesus we can **achieve** what we **dream** and **believe**'*

As a catholic school the foundation of all we do is based upon Christ and his gospel values. The values that we embrace underpin every aspect of school life. These are:

Tolerance and Respect Relationships based on equality, trust and sincerity

Integrity and Honesty Decisions and actions based on Christian values- 'Doing the right thing'

Joy and Happiness Celebrating the gifts, skills and talents of all in our school community

Peace and Forgiveness Always being willing to say sorry and rebuild a broken relationship

Friendship and Nurturing High expectations for all in learning and behaviour

Courage and Aspire Personal drive and passion inspiring all

Diversity and Equality Accepting and promoting differences, whilst raising awareness that all should be treated equally.

'Moral education helps pupils to acquire knowledge, understanding, intentions attitudes and behaviour in relation to what is right or wrong. Teaching and Learning of Moral Education

Moral education is part of daily life in St. Michael's and is constantly reinforced by how we as adults act as role models for the children. The gospel values of reconciliation and consideration for others is at the heart of what we do.

Good behaviour is acknowledged and rewarded on a daily basis in class and at playtimes.

Each Friday the school celebrates a Golden Assembly where Above and Beyond behaviour is recognised and awards and certificates are presented. Each week teachers call parents and send postcards home for the children who have shown positive behaviour. There is an annual prize giving including awards for good behaviour.

Year 6 children are given roles and responsibilities as school prefects to assist teachers and younger children.

The school has an anti-bullying policy and holds an annual anti-bullying week of activities.

Consistent approaches to behaviour are very important. The children need to feel at all times they are being treated fairly by all staff members. We encourage the children to take responsibility for their actions with clear boundaries set and explanations given for all rules and sanctions given.

The children are taught that forgiveness is very important and that they are given the chance to make a fresh start after they have taken the consequences of any action / wrong doing.
