With Jesus we can Achieve what we Dream and Believe!

St Michael's Reading Spine

Our curriculum strives to support our learners to reach national standards and beyond whilst instilling a life-long love of learning. Reading is steeped throughout our Explore Curriculum as we maximise opportunities to delve into books across all subject areas, inspiring children to leave our school with a passion for books and a zest for reading. In pursuit of knowledge, our children acquire rich, aspirational vocabulary which allows them to explore new topics and articulate their learning.
