Friday 20<sup>th</sup> October 2023

Dear Parents and Carers

### Harvest Assembly and Activities –Thursday 26<sup>th</sup> October

On Thursday 26<sup>th</sup> October year 2 and year 3 will lead our Harvest Assembly in the Junior Hall at 9.15 am. **Parents and Carers are welcome to attend.**

Every year we raise money to support a charity. Sometimes this is a local charity and other times it is a charity that supports our global neighbours. Last Harvest we supported the local charity – White Chapel, the leading homeless and housing charity in Liverpool.

This year we are supporting the work of CAFOD and their '**Brighten up**' fundraising to make a difference and build a brighter world for all.

On Thursday 26<sup>th</sup> we invite all children to wear bright clothing to school eg: socks, shirt, T Shirt, hair band etc No football strips on this day. We also ask for families to donate cakes brightly decorated that we can sell to raise some funds and there will also be a children's raffle. We ask children to bring in no more than a voluntary donation of 50p for a cake and raffle ticket. All money raised will be donated to the CAFOD charity

### Class Focus:

### Golden Wonders

.Wow the Golden Wonders have settled into Year 2 with ease and have worked very hard this half term! This week we have been recognising key significant people related to the Great Fire of London. We found out that King Charles II was the King of England during the Great Fire of London in 1666 and Samuel Pepy's wrote a diary about the events that happened which is why we know about it now. We are really excited to delve deeper into our learning about the Great Fire of London! As a class we have been enjoying coming together in our PSHE and circle times to discuss any issues that have happened on the playground, talk about what makes a good friend and how we can support each other in being kind to one another. We are really supportive of one another and each other's ideas! This week in Computing we looked at control and programming and we were helping Miss Gannon make a jam sandwich. We had to give her specific algorithms (instructions) that were broken down so she could follow them. If our algorithm (instruction) was in correct, we then had to debug them (find the problem and fix it with a more clearer instruction). We love reading in the Golden Wonders and enjoy our DEAR time. We have read the Twits this half term and we are half way through Tilly and the Time Machine as our Class Read. We are loving it and are on the edge of our seats waiting to find out what happens next.

You are doing amazingly, Golden Wonders, and we are all so proud of your attitude and enthusiasm for your learning! Miss Gannon, Mrs Davidson and Mrs Lawson :).

### Respect & Remember:

In this Gospel reading, we hear Jesus telling us exactly what kind of person he wants us to be, and the kind of person that he has special love and care for.

On Monday we found out about Saints - people who have lived their lives as God has asked of them.

Mrs Rigby reminded us that we can remember saints by trying to follow their example.

Have you ever heard of Saint Oscar Romero?

# EVERY SCHOOL DAY COUNTS

## Attendance Ladder

Regular attendance at school is the single most important factor in a child/children making appropriate progress and achieving success. Good, regular and punctual attendance means doing well academically, developing better relationships with other children and positive behaviour. It also sets up good habits for when young people enter into work and life.

We aim for average school attendance to be 97% There are 190 days in a school year which leaves 175 days to spend on family time, shopping, appointments and other things.

It is also important to arrive at school on time. If a child arrives late to school every day, their learning begins to suffer. This graph shows how being late to school every day over a school year adds up to lost learning time.

## IMPORTANT INFORMATION

In the interest of your child's safety and well being, a named adult needs to be contactable at all times. Please ensure the school has at least 3 up to date telephone numbers. If school are unable to contact you and have concerns we may call the police and request a welfare check.

Can you please call school at the beginning of the day if your child is going to be absent.
