Dear Parents and Carers

**Welcome back to the second half of the Autumn Term. I hope you had a lovely school break.**

### A successful Open Night for Parents and Carers.

It was great to see so many parents and carers attending our first Open Night of this school year on Thursday. There were lots of delighted parents and carers thrilled with the progress their child/children have made so far and how they have settled into their new classes.

Teachers will have shared how parents and carers can support learning at home especially with lots of regular reading. Please support your child/children with learning at home – if you want any guidance or ideas on how you can do this have a further chat with your child's class teacher.

Thank you to all who attended.

### Friends of St Michael's

Thank you to the parents who attended our parent and staff meeting on Thursday. It was great to share ideas on how we can work in partnership together to raise funds for school and host fun activities for children and families.

If you would like to get involved please speak to Ms Birch or Ms Roscoe.

### Month of November

In the month of November we pray for family and friends who have died. We remember how much we loved them and how happy they made us. The children will bring home a prayer sheet that as a family you can add on the names of anyone who want us to pray for in class and school. Returned sheets will be placed in a prayer basket in class.

**Remembrance Sunday is this weekend – Sunday 12<sup>th</sup> November.**

### Free School Meals

All children in Reception, Year 1 and year 2

**Are you entitled?** are entitled to free school meals regardless of your income. Click [here](#) to apply for free school meals. You will get an instant decision.

### Prayers in November

Breakfast.

Come to school with your child at 8:10am for  
some breakfast and read with your child.  
Junior hall at 8:10am - 8:40am

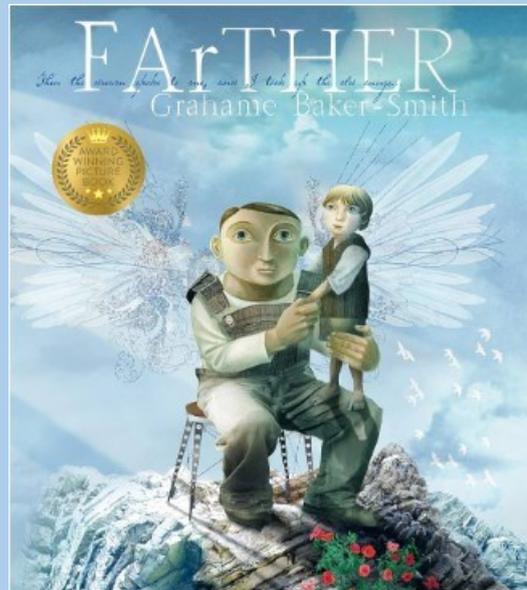

### Class Focus: High Achievers

WOW! What an amazing first week back for High Achievers - all children have worked extremely hard in all of our lessons.

We have spent some time this week thinking about celebrating differences and how this is important when building friendships. We all agreed that our class would be boring if we were all the same and that we would take the time to recognise each other's differences and respect them.

This week, High Achievers have immersed themselves into our new English scheme of 'Ready, Steady, Write'. We have been focusing on the book FAR<sup>T</sup>H<sup>E</sup>R and have used this to gain plenty of ideas to aid some fantastic pieces of work - Well Done!

*Celebrating Diversity*

## Celebration

### SCIENTIST OF THE WEEK

This scientist of the week has worked hard with his investigational skills exploring which materials are absorbent and which are not absorbent. Well done!

**Golden Wonders**

### MATHEMATICIAN OF THE WEEK

#### Nursery

Our mathematician of the week has been working extremely hard counting using 1:1 correspondence. He has grown in confidence during whole class activities and counted how many children

were in today.

During continuous provision he has been exploring capacity in the water tray and exploring shapes in our environment.

Well done! You are amazing, we are so proud of you!

### Reader of the Week

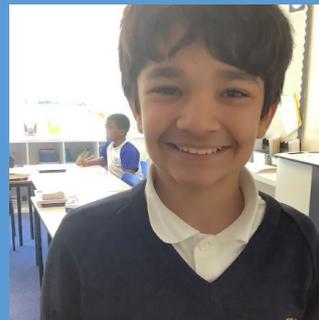

This week's reader of the week chosen by Miss Sharpe's, is:

#### Charlotte in Hotshots

for going above and beyond to complete the Autumn term home reading challenge.

*Well done you are a superstar reader!*

### PHONICS STAR OF THE WEEK

#### Champions

The phonics star of the week has worked amazingly hard on his reading and writing throughout year 6. He has built up fluency in his reading and this shows in his fantastic writing, too! Well done! Mrs Birks & Mrs Briggs

Remembrance Day

11<sup>th</sup> November - Remembrance Day Class prayer time

Loving God, you are known by many different names, by many different peoples.

Help us to be slow to argue and quick to listen.

And help us to live and learn and love together in harmony.

Amen

Well done to the **QUICK THINKERS** of the Infants, and the **HOTSHOTS** of the Juniors, for achieving the highest attendance this week. Let's keep on pushing for 100% attendance, 100% of the time!

These classes have won this week's mini disco & crisps for best Class attendance. Well done

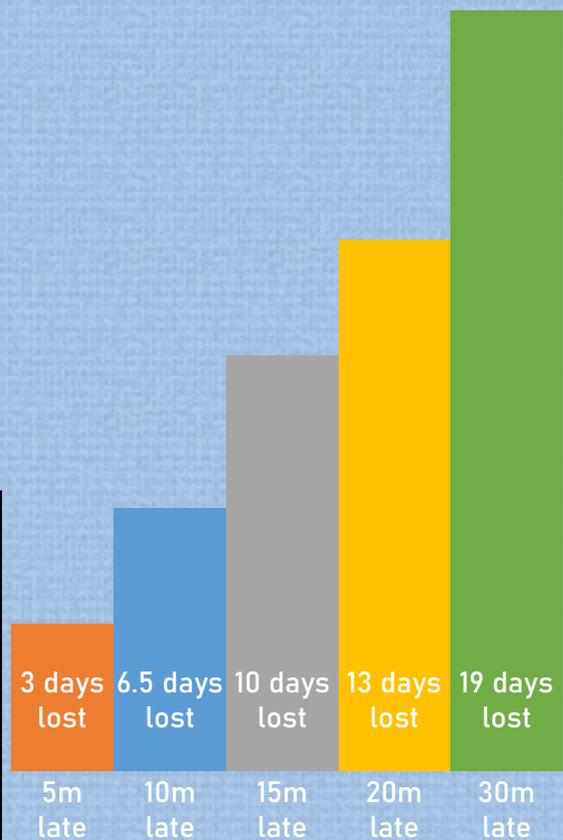

Regular attendance at school is the single most important factor in a child/children making appropriate progress and achieving success. Good, regular and punctual attendance means doing well academically, developing better relationships with other children and positive behaviour. It also sets up good habits for when young people enter into work and life.

We aim for average school attendance to be 97%. There are 190 days in a school year which leaves 175 days to spend on family time, shopping, appointments and other things.

It is also important to arrive at school on time. If a child arrives late to school every day, their learning begins to suffer. This graph shows how being late to school every day over a school year adds up to lost learning time.

### IMPORTANT INFORMATION

In the interest of your child's safety and well being, a named adult needs to be contactable at all times. Please ensure the school has at least 3 up to date telephone numbers. If school are unable to contact you and have concerns we may call the police and request a welfare check.

Can you please call school at the beginning of the day if your child is going to be absent.

## SEN & Parent Support

### The Liverpool ASD Training Team are providing a series of Virtual Group Drop in advisory sessions via zoom.

They are for parents/carers who have any questions or concerns about their child, in regard to social communication difficulties, waiting an ASD assessment or your child has a diagnosis of autism. It is also an opportunity to speak with an ASD trainer and other parents.

The sessions will be one half hours long, you can choose to join anytime with in the time slot or stay for the duration.

You do not require a diagnosis to book your place.
