*“With Jesus, we can
achieve what we
dream and believe”*

School Council Meeting

Minutes

Attendees

Miss O'Brien

Initials F, E, C, G, E, S, R, E

Introduction - children told me a bit about themselves.

School Council ideas from pupils:

Put a whiteboard on wall in area by hall (small group area for Y6).

Competition in each class - who reads and answers the most questions.

More sensory classrooms (therapeutic classrooms).

Monitors for school rules - 'Be Ready, Be Safe, Be Respectful'.

Children pushing going in and out of dinner hall (line order may help with this).

Make a line order for who you sit next at dinner - this could also be good to have a line order for working around school.

Make more afterschool clubs (basketball, gymnastics, gardening, art, tutoring for geography and maths).

Put new things around school often e.g. books/toys.

More play equipment as they get lost/broken (hula hoops, hook the ball, Frisbee, seesaw).

More opportunities for Art activities.

Ask for children's opinions when ordering books.

On the big yard replace the net on one of the football goals.

Outside - more flowers around school.

Block off the bike shed so people don't get behind it.

Add more floor games (e.g. hopscotch).

Have an outside play area similar to P2B on the grass area on the big yard (e.g swing).
