

## Headteacher's Message

Friday 8th March

Dear Parents and Carers,

### Happy Mother's Day.

On Sunday (10<sup>th</sup> March) it is Mother's Day. On behalf of all the staff I wish all our mums and carers a special day.

### Mother's Day Assembly by Reception Class

This morning our Reception classes performed a beautiful Mother's day assembly to show their love and appreciation for all that their wonderful adults do for them, each and every day.

Filled with singing (including some tearjerkers!), artwork, props and more, it truly was a delight to watch, and tissues were definitely needed.

We hope all our adults who attended enjoy their sweet treat on Sunday morning with a cup of tea - a little gesture of thanks and love from your little ones.

### Well done Super Stars and Shining Stars!

Thank you also to Ms O'Kane, Ms Kormi and all reception support staff for planning such a creative and joyful assembly for all to enjoy.

### Pedestrian Crossing on West Derby Road

I am delighted to inform you that Liverpool City Council have contacted school today to say that the pedestrian crossing outside our school should be fully working today by the end of the school day. This permanent safe crossing place will make such a positive difference for all our families and local community. We have all worked together as a school community, city council and local MP (Member of Parliament) to get this in place. What a success story this is and I know how we will all value it as a school community.

### A day of Prayer

**Archbishop Malcolm** has called for a day of prayer in the schools and parishes of Liverpool Archdiocese for peace.

Here is part of a prayer from the **Pope Francis** that you may to you wish use on this day of prayer:

#### [A prayer from the Holy Father for peace](#)

*“Let us pray with one heart and one soul – Lord come to our aid, grant us peace,  
teach us peace, guide our steps in the way of peace.”*

*In Jesus' name. Amen*

## Headteacher's Message

### Keeping Children Safe

Please ensure when you collect your child/children at the end of the school day, particularly children in the Nursery, Reception and Infants that you **hold onto their hand/s** and **keep close by you**. Whilst we have staff on all the external school gates to meet and greet it can be difficult to monitor every child going through the gate during these very busy times.

Here is a table of forthcoming Activities for this half term. Those highlighted in yellow have already happened.

## Mini Vinnies

On Wednesday, our Minnie Vinnies group visited The Big Help Project on Boaler Street. The aim was to establish what they do and how we can help. The children had researched the charity and prepared questions beforehand. The charity worker Fran was amazed at the level of questions the children asked. We heard how they support with food via their foodbank, debt/budget management, housing, new-born baby hampers as well as signposting to other services. There is also a Ukrainian Support Group that meets every Friday morning.

The children will now produce and deliver an assembly to the whole school all about the Big Help Project. They will advertise our New to You Toy sale and ask for food donations that we can take with us when we visit the foodbank to help compile the parcels. Once again the children were fantastic and an absolute credit to St. Michael's.

## Safer Internet Day

This year the children learned about using the internet safely and positively. Teaching our children how to stay safe online is vitally important. Every class had age appropriate lessons on what to do to stay safe.

If you would like to learn more, click [here](#) to access parent and carer resources.

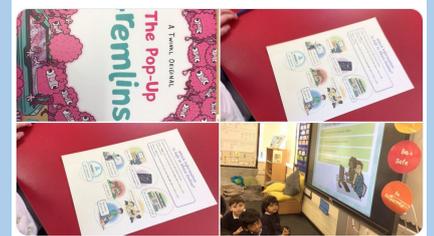

#stmSaferInternet24 Today for safer internet day we spoke about the importance of staying safe online. We talked about telling a grown up at all times what we are doing.

We have also been talking about gaming and what games our appropriate for our age range. We then applied our learning with a quiz #STMcomputing #stmSaferInternet24 @UK\_SIC

Today we read a story about internet safety and talked about how we can stay safe online. We learnt that we should never click on pop ups on our devices we must tell a trusted adult straight away #STMreading #stmSaferInternet24 #STMcomputing @UK\_SIC #STMPSHE

## Mental Health Week

Our theme for Mental Health Week was **My Voice Matters!** Throughout the week we had a listening booth on both the infant and junior playgrounds which was staffed by a Learning Mentor. The children used the opportunity to come and talk to us about how they were feeling. We had a focus week on our worry boxes. They are placed in each class so children can share things, even if they don't feel comfortable talking out loud. Each class also had an "Express Yourself" lesson. The focus of this was the children learning how to share how they are feeling.

## World Book Day

Our favourite part of World Book Day is when the older children go and visit the younger ones to read to them. As well as having the fun of all the wonderful costumes, we get to share the joy of reading together.

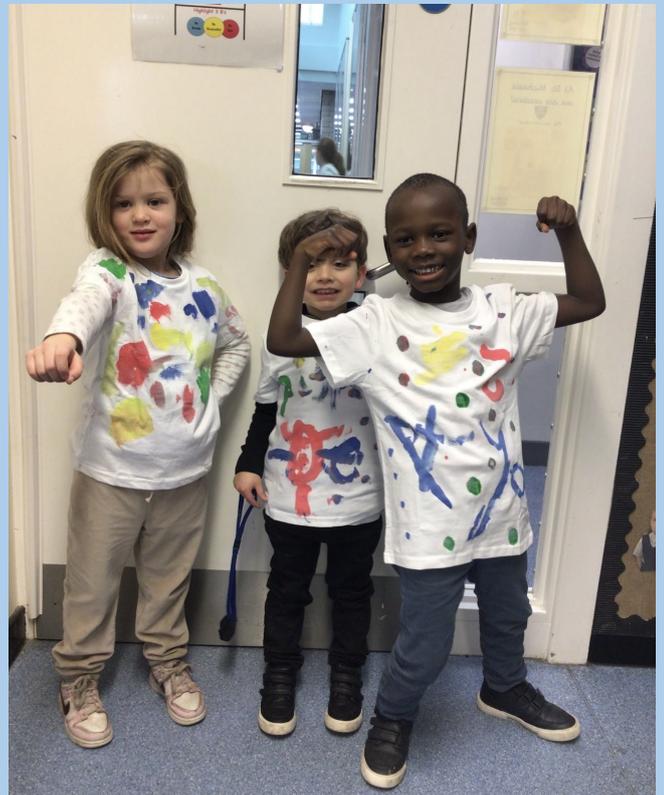

### Class Focus: Superstars

Wow - what a great Spring term the Superstars have had so far! It has been wonderful to see every child grow in confidence and make progress.

This week, we have been learning about Little Red Riding Hood and other traditional tales. We have been acting out the stories and incorporating new vocabulary into our play. We have also been writing about the stories. Have a look at some examples of amazing independent writing!

We continue to work hard in Maths on our 1-1 counting skills, but have started to do simple addition and take away using resources. There are some brilliant mathematicians in our class who have been spotting our Numbers of the Week all around them and in different forms!

We are really enjoying the brighter days and better weather. We've been observing the changes around us and can't wait to see what the rest of Spring brings

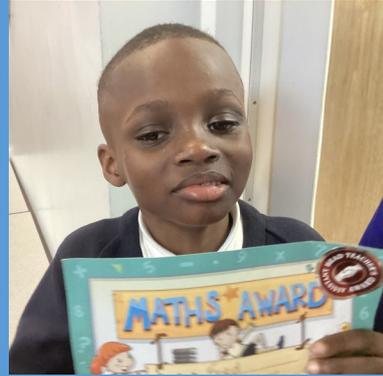

## Celebration

### SCIENTIST OF THE WEEK

Well done to our scientist from Hot Shots who's been asking and answering scientific questions this week.

### MATHEMATICIAN OF THE WEEK

Well done to this mathematician who has been working extra hard to master his maths.

### Aspirations: Luke 1:46-55 Women of the New Testament

#### Mary's Song

Mary was so happy, she sang a song of praise to God.

"God is so good. My heart is full of joy.  
I give thanks and praise to God,  
for God has blessed me very specially.  
I am poor and unimportant,  
Yet God has done such great things for me.  
Holy is God's name.  
God is so strong.  
God's love lasts for ever.  
God looks after everyone.  
God is with the poor and the hungry.  
God is always very close.  
God never forgets anyone."

What inspiration do these words of Mary give you?

March is

#### Women's History Month

A time to celebrate the lives of courageous and inspirational women throughout history.

This week we will reflect on the words of some of the women of the New Testament, starting with Mary, the mother of Jesus

Our friend Jesus,  
Show us how to be brave enough to stand up for what is right & fair.  
Give us the aspiration & courage to change the things we know are wrong,  
Help us to make the world a fairer place for everyone.  
**Amen**

These classes have won this week's mini disco & crisps for best Class attendance. Well done

Regular attendance at school is the single most important factor in a child/children making appropriate progress and achieving success. Good, regular and punctual attendance means doing well academically, developing better relationships with other children and positive behaviour. It also sets up good habits for when young people enter into work and life.

**Should I keep my child off school?**

**Yes** (if child is unwell)

**No** (if child is well)

Advice and guidance: To find out more, search for health protection in schools or scan the QR code or visit <https://go.nhs.uk>

We aim for average school attendance to be 97% There are 190 days in a school year which leaves 175 days to spend on family time, shopping, appointments and other things.

It is also important to arrive at school on time. If a child arrives late to school every day, their learning begins to suffer. This graph shows how being late to school every day over a school year adds up to lost learning time.

### IMPORTANT INFORMATION

In the interest of your child's safety and well being, a named adult needs to be contactable at all times. Please ensure the school has at least 3 up to date telephone numbers. If school are unable to contact you and have concerns we may call the police and request a welfare check.

Can you please call school at the beginning of the day if your child is going to be absent.

# Measles: Are there different MMR vaccines?

You have probably heard a lot about measles in the news. There is a large outbreak in Birmingham mainly affecting children under 10 years old. Many children have needed to be admitted to hospital. Measles can cause serious problems including meningitis and hearing loss and can cause death.

The best way to protect against measles is to get two doses of the MMR vaccine.

There are two different versions of the MMR vaccine that are available for free through your GP. One of them contains gelatine and the other one doesn't.

They are both very effective and safe.

If you don't want the vaccine which contains gelatine, don't worry. You can still have the vaccine.

All you have to do is ring ahead to your GP practice and let them know, so they can have the right one ready for you. It's as simple as that.

There is more information about vaccines and porcine gelatine at this [link](#):

Children are invited for their first dose of the MMR vaccine when they are between 12 and 13 months old and the second dose is given around 3 years and 4 months. Children can receive the vaccine at any age after this, so if your child has missed either of these doses or you are not sure just contact your GP practice.

For more information, visit: <https://www.nhs.uk/conditions/measles/>

**MEASLES**  
Don't let your child catch it  
- get them vaccinated with the MMR vaccine

- measles outbreaks happen when not enough children have been vaccinated
- measles can be a very serious disease, leading to ear and chest infections, fits, diarrhoea, and damage to the brain. Measles can kill
- your child is at risk of measles if he or she hasn't had the MMR vaccination
- 2 doses of MMR vaccine are needed to get the best protection
- if your child is due to have had 2 doses of MMR but has not yet received them, no matter what age they are, you should contact your GP to get them vaccinated as soon as possible\*
- if you can't remember if your child has had any, 1 or 2 doses of MMR vaccine, check his or her personal child health record (the Red Book). If this doesn't help, speak to your GP
- if you don't know how many doses your child has had, it's better to have 2 doses of MMR vaccine now rather than risk leaving them unprotected

\*In response to a local outbreak then the 2 doses can be given one month apart from the age of 18 months.

**Immunisation**  
the safest way to protect your child

Some common questions about measles and the MMR vaccine are listed on the back of this leaflet

**MEASLES**  
Nu vă lăsați copilul să se îmbolnăvească  
- imunizați-l cu vaccinul MMR (impotriva rujelei, oreionului și a rubeolei)

- Rujeola a revenit în actualitate. Au existat focare epidemice grave în Țara Galilor și Anglia, iar numărul copiilor care se îmbolnăvesc de rujeolă este în creștere.
- Rujeola poate fi o boală foarte gravă, care poate duce la infecții la nivelul urechilor și al toraxului, crize, diaree și leziuni ale creierului. Rujeola poate ucide.
- Copilul dumneavoastră este expus riscului îmbolnăvirii cu rujeolă dacă nu a fost imunizat împotriva rujelei, oreionului și rubeolei.
- Sunt necesare două doze de vaccin MMR împotriva rujelei, oreionului și rubeolei pentru a obține cea mai bună protecție.
- Dacă copilului dumneavoastră trebuie să i se administreze cele două doze de vaccin MMR împotriva rujelei, oreionului și rubeolei, dar încă nu le-a primit, indiferent de vârsta acestuia, trebuie să vă adresați medicului de familie pentru a-i vaccina cât mai curând posibil. \*
- Dacă nu vă puteți aminti dacă copilului i s-au administrat una sau două doze de vaccin MMR împotriva rujelei, oreionului și rubeolei, verificați fișa medicală a copilului (Cartețelul Roșu). Dacă acest lucru nu vă ajută, adresați-vă medicului de familie.
- Dacă nu știți câte doze i s-au administrat copilului dumneavoastră, este mai bine ca să primiți acum cele două doze de vaccin MMR împotriva rujelei, oreionului și rubeolei decât să riscați să îl lăsați neprotejat.

\*Ca răspuns la un focar epidemic local, cele două doze pot fi administrate la o lună distanță între ele, începând cu vârsta de 18 luni.

Ochroń swoje dziecko przed zarażeniem się  
- zaszczepi je przeciw odry, śwince i różyczce (szczepionka MMR)

- Odra znów pojawia się w wiadomościach. Na terenie Wali i Anglii odnotowano znaczny wzrost zachorowań, zwiększa się liczba dzieci zarażonych odry.
- Odra jest groźną chorobą, która może prowadzić do zapalenia ucha, infekcji dróg oddechowych, drgawek, biegunki oraz uszkodzenia mózgu. Odra może prowadzić do śmierci.
- Zachorowaniem na odrę zagrożone są dzieci, którym nie podano szczepionki MMR.
- Najlepszą ochronę zapewniają dwie dawki.
- Jeżeli dziecku nie podano zalecanych dwóch dawek szczepionki MMR, należy skontaktować się z lekarzem pierwszego kontaktu i zaszczepić je jak najszybciej, niezależnie od jego wieku. \*
- W razie niepewności, czy dziecko zostało zaszczepione lub czy podano mu jedną, czy dwie dawki szczepionki MMR, należy sprawdzić jego książeczkę zdrowia (Red Book). Można również skontaktować się z przychodnią lekarską.
- Jeżeli nie wiadomo, ile dawek szczepionki otrzymało dziecko, lepiej podać mu dwie dawki szczepionki MMR niż ryzykować pozostawienie go bez ochrony.

\*Dzięki w odpowiedzi na lokalny wzrost zachorowań można podać dziecku dwie dawki szczepionki w odstępie jednego miesiąca po ukończeniu przez nie 18. miesiąca życia.

- إذا كان من المقرر أن يصاب طفلك بتلقي جرعتين من MMR ولكن لم يتلقاهما بعد، بعض النظر عن العمر، يجب عليك الاتصال بطبيبك للحصول على تطعيم في أقرب وقت ممكن. \*
- إذا كنت لا تستطيع تذكر ما إذا كان طفلك قد تلقى أي جرعة أو أخذ جرعة واحدة أو جرعتين من تطعيم MMR، فتحدث من سجل صحة الطفل الشخصي (الدفتر الأحمر). إذا لم يساعد ذلك، فتحدث إلى طبيبك.
- إذا كنت لا تعرف عدد الجرعات التي قد تلقاها طفلك، فمن الأفضل إخطارك جرعتين من لقاح MMR الآن بدلاً من المخاطرة بتراكم دون حماية.

**خسره**  
اینے بیچ کو اس میں مبتلا ہونے نہ دیں۔  
- انہیں MMR ویکسین لٹائیں۔

- خسره ایک بہت سنگین بیماری ہو سکتی ہے، جسے کان اور سینے میں انفیکشن، دورے، اسہال، اور دماغ کو نقصان پہنچ سکتا ہے۔
- خسره جان لیو سکتا ہے۔
- آپ کے بچے کو خسره کا خطرہ لاحق ہے اگر اسے MMR ویکسینیشن نہیں کروائی ہے۔
- بہترین تحفظ حاصل کرنے کے لیے MMR ویکسین کی دو ڈوز درکار ہیں۔
- اگر آپ کے بچے کو MMR کی دو ڈوز لگنے والے ہیں، لیکن اسے ابھی تک نہیں ملے ہیں، چاہے وہ کتنی ہی عمر کا کوونہ ہو، آپ کو اپنے بچے کے راپڈے کرنا چاہیے تاکہ اسے جلد از جلد ویکسین لگوان۔ \*
- اگر آپ کو یاد نہیں ہے یا آپ کے بچے نے MMR ویکسین کی کوئی، ایک یا دو ڈوز لگنے، تو اس کا ذاتی جانچنے پہلے ریکارڈ (ریڈ بک) چیک کریں۔ اگر اسے مدد نہیں ملتی تو اپنے جی پی سے بات کریں۔
- اگر آپ نہیں جانتے کہ آپ کے بچے کو کتنے ڈوز لگنے ہوئے ہیں، تو بہتر ہے کہ آپ MMR ویکسین کی دو ڈوز دین بجائے اسے کہ اسے غیر محفوظ رہنے کا خطرہ لاحق ہو۔
- مکمل کرنے میں کبھی دیر نہیں ہوتی۔
- تمام بچوں اور نوجوان بالغوں کو MMR ویکسین کی دو ڈوز دین۔ یہ کسی بھی ایسے شخص کی حفاظت کرتا ہے جو بہت کم عمر، حاملہ یا بہت کمزور ہے جس کو MMR ویکسین دی جائے۔
