

Headteacher's Message

Friday 15th March

Dear Parents and Carers,

St Michael's Ofsted Inspection Report

I am delighted to inform you that we now have the OFSTED inspection report for our school. We had a full two-day inspection on Tuesday 6th and Wednesday 7th February 2024. We are very happy with our report.

I am sure like myself, staff and governors you will be thrilled to read about how well we did. We secured **Good** for all areas and **Outstanding for Behaviour and attitudes**. This is a great accolade for our school and our whole school community. It justly reflects the great work that we do here in St Michael's.

A sincere thank you for all your support during the inspection process and the wonderful feedback given by so many parents/carers which contributed to the success of our school. Our school and home partnership is such an invaluable part of our achievement.

We have already started work to address our two areas of improvement and I am confident at our next inspection we will be able to show how we have addressed these successfully.

A big well done to all our wonderful children who were outstanding throughout the inspection and shared with the inspectors so much about their learning and happy experiences in school. What true superstars they all are!

Also, and very importantly, a huge thank you and well done to all our dedicated and highly-talented staff who work relentlessly to give the best learning and wider school experiences any children could wish for.

Congratulations to all! Best Wishes from a very proud Head teacher.

Celebration for the Children to mark our successful report

After the Easter Holiday we will organise a special celebration for all the children. Details to follow in April.

[Here is a link for the full report.](#)

LENT

We are now in Week Four of LENT. We are supporting the work of the international charity CAFOD who help our global neighbours. At school we are doing a LENT WALK.

Over the next week and half the children will do a daily lap of the school playground. When they return to class they will mark the walk on their class chart.

We ask that for a £1 sponsorship to complete the total walk for your child/children. All donations will be given to CAFOD. Keep an eye on your child's class twitter page (X) to see how they are getting on with the walks.

Headteacher's Message

Parent and Carer Evening

Thank you to all the parents and carers who attended the pupil progress meetings last night in school. It was great to see lots of very proud parents/carers thrilled with the progress their child/children are making. Thank you too for the very kinds words of appreciation expressed to our staff last night for the work they do in school by many parents/carers. This positive feedback means a great deal.

Spring and Easter Activities

Activity	Date/Time	Year group	
World Book Day	Thursday 7 th March	All Children	Children welcome to dress up as favourite book character
Mothers' Day Assembly	Friday 8 th March at 9.15am	Reception Class	Parents/Carers Welcome
Enterprise Sale	Friday 8 th March	All children	
Parent/Carer Evening	Thursday 14 th March 3.30-6.30pm	All children	Parents/Carers Welcome
Easter Bonnet/Hat making craft workshop	Friday 22 nd March 9.15am Infants	Reception/year 1/year 2	Parents/Carers Welcome
Easter Card making craft workshop	Friday 22 nd March 2.30pm Juniors	Juniors	Parents/Carers Welcome
Infant Spring and Easter Assembly	Tuesday 26 th March 9.15am	Year 1 and Year 2	Parents/Carers Welcome
Year 3 and 4 Spring and Easter Assembly	Wednesday 27 th March at 9.15am	Year 3 and Year 4	Parents/carers Welcome
Year 5 and 6 Spring and Easter Assembly	Wednesday 27 th March at 2.15pm	Year 5 and Year 6	Parents/carers Welcome
Easter Bonnet/Hat parade	Thursday 28 th March at 1pm	Reception/Year 1/Year 2	Parents/carers Welcome

School closes for the Easter Holiday on Thursday 28th March at 1.30pm

School Re-Opens on Monday 8th April

Best Wishes and have a lovely weekend.

Mrs. Alyson Rigby (Headteacher)

Comic Relief

This Friday, many of the children have come dressed in red and brought a 50p donation for Comic Relief. A charity supporting support local community organisations and brilliant change-makers here in the UK and across the globe. Your donations help them fill the shelves of baby banks, community food centres, fund vital community-led services like health workers, local youth safe-spaces, and ensure safe passage for people escaping danger. You can find out more by [clicking here](#).

We held a Do Something Funny for Money assembly, where the children told their best jokes and the winners got a prize. Here are some photos of the event and our funniest joke winners

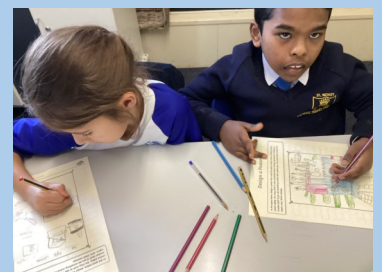

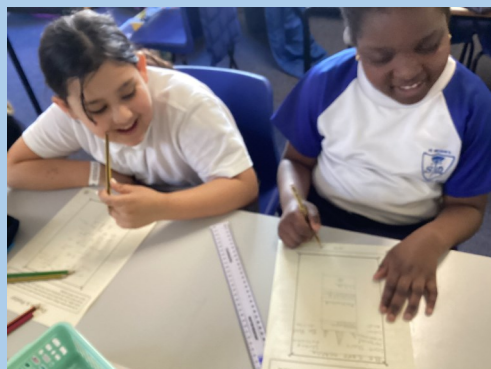

Class Focus: Heroes

This week we had our collective worship in church with our families. It was to celebrate our “relating” topic of “listening and sharing”. The children were extremely well behaved and everybody really enjoyed the visit. We’ve also been finding out about Ramadan. Some of the children in the class shared what it meant to them.

For World Book Day, we had a story session outside and read Little Red Reading Hood, an alternative version of the classic tale. Following this, the children wrote a book review about who they would recommend this story to. During maths, we have been studying measurements. The children have been investigating and comparing lengths in millimetres, centimetres and meters.

In History we have started our new topic on Persia and Greece. We learned about how the Persian empire began. Our English has been all about non fiction information texts. We’ve been researching and writing about features of the natural world. Our new Science topic is Animals including Humans.

Courage: 1 Samuel 1:26-28

Women of the Old Testament - Hannah

²⁶ Hannah said to him, "Excuse me, sir. Do you remember me? I am the woman you saw standing here, praying to the LORD. ²⁷ I asked him for this child, and he gave me what I asked for. ²⁸ So I am dedicating him to the LORD. As long as he lives, he will belong to the LORD."

Then they worshiped the LORD there.

God answered Hannah's prayer.

Hannah kept her promise to God.

God of life,
Help us to listen to your
Son Jesus
Give us the courage to
live our lives as He asks
us,
Making a real change to
ourselves and the lives of
all we meet.
Amen

Attendance

WIN A BIKE!!! THE CHILDREN WITH THE BEST ATTENDANCE OVER THE YEAR WILL BE ENTERED INTO A PRIZE DRAW IN JULY!

EVERY SCHOOL DAY COUNTS

Year Group	% Attendance
SHINING STARS - RECEPTION	88%
SUPERSTARS - RECEPTION	93.1%
QUICK THINKERS - YEAR 1	96.1%
RECORD BREAKERS - YEAR 1	97.9%
GOLDEN WONDERS - YEAR 2	98.1%
WORLD BEATERS - YEAR 2	98.1%
HEROES - YEAR 3	94.8%
OLYMPIANS - YEAR 3	96%
HOTSHOTS - YEAR 4	96%
INSPIRATIONS - YEAR 4	95.3%
HIGH ACHIEVERS - YEAR 5	98.1%
HIGH FLYERS - YEAR 5	96.7%
WHIZZKIDS - YEAR 6	85.5%
CHAMPIONS - YEAR 6	97.3%
Totals	95.9%

Well done to the **Golden Wonders, World Beaters and High Achievers** for achieving the highest attendance this week. Let's keep on pushing for 100% attendance, 100% of the time!

These classes have won this week's mini disco & crisps for best Class attendance. Well done

Attendance Ladder

Regular attendance at school is the single most important factor in a child/children making appropriate progress and achieving success. Good, regular and punctual attendance means doing well academically, developing better relationships with other children and positive behaviour. It also sets up good habits for when young people enter into work and life.

We aim for average school attendance to be 97% There are 190 days in a school year which leaves 175 days to spend on family time, shopping, appointments and other things.

It is also important to arrive at school on time. If a child arrives late to school every day, their learning begins to suffer. This graph shows how being late to school every day over a school year adds up to lost learning time.

Should I keep my child off school?

Yes

Until...

- Child has been fever-free for 24 hours without the use of fever-reducing medicine.
- Child has been cough-free for 24 hours without the use of cough medicine.
- Child has been free of other symptoms for 24 hours.

No

but make sure you let your school or nursery know about...

- Head, face and mouth
- Hand, face and mouth
- Head lice
- Scabies
- Throat issues

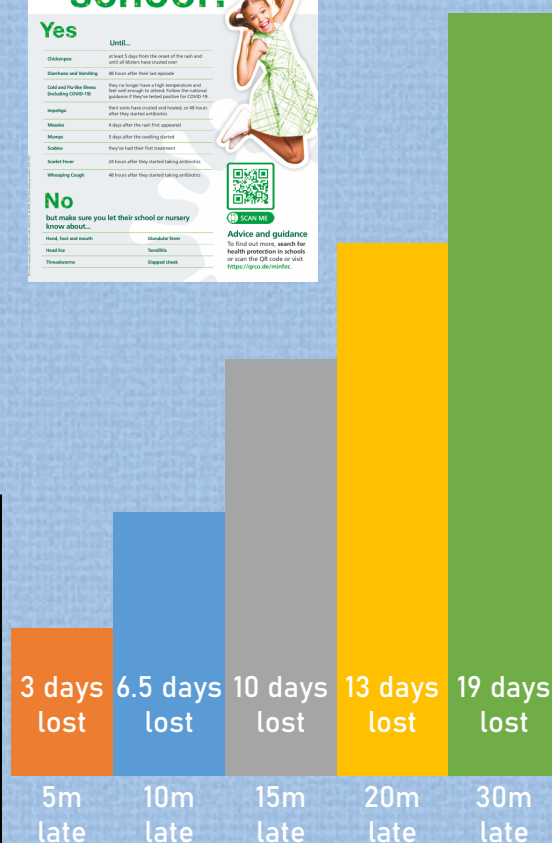

Advice and guidance

To find out more, search for health protection in schools or scan the QR code or visit <https://go.nhs.uk/infor>

IMPORTANT INFORMATION

In the interest of your child's safety and well being, a named adult needs to be contactable at all times. Please ensure the school has at least 3 up to date telephone numbers. If school are unable to contact you and have concerns we may call the police and request a welfare check.

Can you please call school at the beginning of the day if your child is going to be absent.

Measles: Are there different MMR vaccines?

You have probably heard a lot about measles in the news. There is a large outbreak in Birmingham mainly affecting children under 10 years old. Many children have needed to be admitted to hospital. Measles can cause serious problems including meningitis and hearing loss and can cause death.

The best way to protect against measles is to get two doses of the MMR vaccine.

There are two different versions of the MMR vaccine that are available for free through your GP. One of them contains gelatine and the other one doesn't.

They are both very effective and safe.

If you don't want the vaccine which contains gelatine, don't worry. You can still have the vaccine.

All you have to do is ring ahead to your GP practice and let them know, so they can have the right one ready for you. It's as simple as that.

There is more information about vaccines and porcine gelatine at this [link](https://www.nhs.uk/conditions/measles/):

Children are invited for their first dose of the MMR vaccine when they are between 12 and 13 months old and the second dose is given around 3 years and 4 months. Children can receive the vaccine at any age after this, so if your child has missed either of these doses or you are not sure just contact your GP practice.

For more information, visit: <https://www.nhs.uk/conditions/measles/>

MEASLES

Don't let your child catch it
- get them vaccinated with the MMR vaccine

- measles outbreaks happen when not enough children have been vaccinated
- measles can be a very serious disease, leading to ear and chest infections, fits, diarrhoea, and damage to the brain. Measles can kill
- your child is at risk of measles if he or she hasn't had the MMR vaccination
- 2 doses of MMR vaccine are needed to get the best protection

- if your child is due to have had 2 doses of MMR but has not yet received them, no matter what age they are, you should contact your GP to get them vaccinated as soon as possible*
- if you can't remember if your child has had any, 1 or 2 doses of MMR vaccine, check his or her personal child health record (the Red Book). If this doesn't help, speak to your GP
- if you don't know how many doses your child has had, it's better to have 2 doses of MMR vaccine now rather than risk leaving them unprotected

*In response to a local outbreak then the 2 doses can be given one month apart from the age of 18 months.

Immunisation
the safest way to protect your child

Some common questions about measles and the MMR vaccine are listed on the back of this leaflet

MEASLES

Nu vă lăsați copilul să se îmbolnăvească
- imunizați-l cu vaccinul MMR (impotriva rujelei, oreionului și a rubeolei)

- Rujeola a revenit în actualitate. Au existat focare epidemice grave în țara Gallor și Anglia, iar numărul copiilor care se îmbolnăvesc de rujeolă este în creștere.
- Rujeola poate fi o boală foarte gravă, care poate duce la infecții la nivelul urechilor și al toracelui, crize, diaree și leziuni ale creierului. Rujeola poate ucide.
- Copiii dumneavoastră este expus riscului îmbolnăvirii cu rujeolă dacă nu a fost imunizat împotriva rujelei, oreionului și rubeolei.
- Sunt necesare două doze de vaccin MMR împotriva rujelei, oreionului și rubeolei pentru a obține cea mai bună protecție.

- Dacă copilul dumneavoastră trebuie să se administreze cele două doze de vaccin MMR împotriva rujelei, oreionului și rubeolei, dar încă nu le-a primit, indiferent de vârsta acestuia, trebuie să vă adresați medicului de familie pentru a-l vaccina cât mai curând posibil. *
- Dacă nu vă puteți aminti dacă copilului i s-a administrat una sau două doze de vaccin MMR împotriva rujelei, oreionului și rubeolei, verificați fișa medicală a copilului (Cartelul Roșu). Dacă acest lucru nu vă ajută, adresați-vă medicului de familie.
- Dacă nu știți câte doze i s-au administrat copilului dumneavoastră, este mai bine ca să primiți acum cele două doze de vaccin MMR împotriva rujelei, oreionului și rubeolei decât să riscați să îl lăsați neprotejat.

*Ca răspuns la un focar epidemic local, cele două doze pot fi administrate la o lună distanță între ele, începând cu vârsta de 18 luni.

Immunisation
cea mai sigură cale de a vă proteja copilul

Unele dintre întrebările frecvente despre rujeolă și vaccinul MMR împotriva rujelei, oreionului și rubeolei sunt trecute pe reversul acestei broșuri.

MEASLES

Ochroń swoje dziecko przed zarażeniem się
- zaszczepi je przeciw odrze, śwince i różyczce (szczepionka MMR)

- Odra znów pojawia się w wiadomościach. Na terenie Wali i Anglii odnotowano znaczny wzrost zachorowań, zwiększa się liczba dzieci zarażonych odra.
- Odra jest groźną chorobą, która może prowadzić do zapalenia ucha, infekcji dróg oddechowych, drgawek, biegunki oraz uszkodzenia mózgu. Odra może prowadzić do śmierci.
- Zachorowaniem na odrę zagrożone są dzieci, którym nie podano szczepionki MMR.
- Najlepszą ochronę zapewniają dwie dawki.

- Jeżeli dziecku nie podano zalecanych dwóch dawek szczepionki MMR, należy skontaktować się z lekarzem pierwszego kontaktu i zaszczepić je jak najszybciej, niezależnie od jego wieku. *
- W razie niepewności, czy dziecko zostało zaszczepione lub czy podano mu jedną, czy dwie dawki szczepionki MMR, należy sprawdzić jego książeczkę zdrowia (Red Book). Można również skontaktować się z przychodnią lekarską.
- Jeżeli nie wiadomo, ile dawek szczepionki otrzymało dziecko, lepiej podać mu dwie dawki szczepionki MMR niż ryzykować pozostawienie go bez ochrony.

*Dlatego w odpowiedzi na lokalny wzrost zachorowań można podać dziecku dwie dawki szczepionki w odstępie jednego miesiąca po ukończeniu przez nie 18. miesiąca życia.

Immunisation
najbezpieczniejszy sposób ochrony zdrowia dziecka

Na odwrocie niniejszej ulotki podano często zadawane pytania na temat odry i szczepionki MMR

MEASLES

لا تدعها تصيب طفلك
- افرم بتحصينهم بلقاح MMR

- إذا كان من المقرر أن طفلك يتلقى جرعتين من MMR ولكن لم يتلقاها بعد، بغض النظر عن العمر، يجب عليك الاتصال بطبيبك للحصول على تطعيم في أقرب وقت ممكن.
- إذا كنت لا تستطيع تذكر ما إذا كان طفلك قد تلقى أي جرعة أو اذ جرعة واحدة أوجرتين من تطعيم MMR، فتتحقق من سجل صحة الطفل الشخصي (الدفتر الأحمر). إذا لم يساعد ذلك، فتحدث إلى طبيبك.
- إذا كنت لا تعرف عدد الجرعات التي قد تلقاها طفلك، فمن الأفضل إعطائهم جرعتين من لقاح MMR الآن بدلاً من المخاطرة بتراكمهم دون حماية.

- الحصية في الأخبار مرة أخرى. كنت هناك تقنيات خطيرة في ويلز والجنرال و عدد الأطفال المصابين بالحصية في ارتفاع.
- يمكن أن تكون الحصية مرضًا خطيرًا جدًا، مما يؤدي إلى التهاب الأذن والصدر، وتشنجات، وإسهال، وتلف المخ. يمكن للحصية أن تقتل.
- يكون طفلك معرضًا لخطر الحصية إذا لم يكن قد تلقى لقاح MMR.
- هناك حاجة إلى جرعتين من لقاح MMR للحصول على أفضل حماية.

*استجابة لتفشي المرض المحلي، يمكن إعطاء الجرعتين ويتم إعطائهما أيضًا إذا لم يتجاوز عمر 18 شهرًا.

Immunisation
طريقة الأسهل لحماية طفلك

بعض الأسئلة الشائعة حول الحصية ولقاح MMR متروكة على ظهر هذه النشرة

خسرہ

اپنے بچ کو اس میں مبتلا ہونے نہ دیں۔
- انہیں MMR ویکسین لٹائیں۔

- خسرہ ایک بہت سنگین بیماری ہو سکتی ہے، جس سے کان اور سینے میں انفیکشن، دورے، اسہال، اور دماغ کو نقصان پہنچ سکتا ہے۔
- آپ کے بچ کو خسرہ کا خطرہ لاحق ہے اگر اس نے MMR ویکسینیشن نہیں کروائی ہے۔
- بہترین تحفظ حاصل کر کے آپ کے بچ کو MMR ویکسین کی دو ڈوز درکار ہیں۔
- اگر آپ کے بچ کو MMR کی دو ڈوز لگنے والے ہیں، لیکن ابھی تک نہیں ملے ہیں، چاہے وہ کتنی ہی عمر کا کوون نہ ہو، آپ کو اپنے بچ کے لیے رابطہ کرنا چاہیے تاکہ اسے جلد از جلد ویکسین لگوائیں. *

- اگر آپ کو یاد نہیں کہ آیا آپ کے بچ نے MMR ویکسین کی گولی، ایک یا دو ڈوز لگے ہیں، تو اس کا ذاتی جائلڈ ہیلتھ ریکارڈ (ریڈ بک) چیک کریں۔ اگر اس سے مدد نہیں ملتی تو اپنے بچ کے پدے بات کریں۔
- اگر آپ نہیں جانتے کہ آپ کے بچ کو کتنے ڈوز دیے گئے ہیں، تو بہتر ہے کہ آپ MMR ویکسین کی دو ڈوز دیں بجائے اس کے کہ اسے غیر محفوظ رہنے کا خطرہ لاحق ہو۔
- مکمل کرنے میں کبھی دیر نہیں ہوتی۔ تمام بچوں اور نوجوان بالغوں کو MMR ویکسین کی دو ڈوز دیں۔ یہ کسی بھی لیے شخص کی حفاظت کرتا ہے جو بہت کم عمر، حاملہ یا بہت کمزور ہے جس کو MMR ویکسین دی جائے۔

*Dlatego w odpowiedzi na lokalny wzrost zachorowań można podać dziecku dwie dawki szczepionki w odstępie jednego miesiąca po ukończeniu przez nie 18. miesiąca życia.

Immunisation
the safest way to protect your child
