

On Thursday 7th March we will be celebrating World Book Day, and our whole-school theme will be Little Red Riding Hood. Children are invited to come into school dressed as a character from the story of Little Red Riding Hood, or as a character from their favourite book.

## Headteacher's Message

Friday 01 March 2024

Dear Parents and Carers

### LENT

We are now in the season of LENT. This important part of the liturgical year began on Ash Wednesday which was during the half term holiday. LENT lasts for 40 days and leads us into Holy week and Easter Sunday.

In school we are focusing on **Kindness** during LENT. Acts of kindness brings us all joy, peace and hope. Each member of staff have lots of kindness stickers to share with children when they show a lovely act of kindness – children can nominate each too for a sticker.

During LENT we always raise funds for a charity – more details of this to follow.

Here is a prayer you may wish to use as a family during LENT.

Loving and compassionate God, teach us to show love and mercy to each other.  
As we begin our journey through Lent, inspire us to be generous and kind.  
Through our joy, patience and kindness, may we help to build a better world.

**Amen.**

### Parent and Carers Pupil Progress Meeting (Open Night)

**Thursday 14<sup>th</sup> March 3.30pm – 6.30pm** Times will be shared on Tuesday next week.

As you know we normally ask you to attend this meeting with your children so they can listen to the guidance and feedback regarding their progress in school.

We have decided it may be more beneficial to have this pupil progress conversation with just the parent/carer. So we just inviting parents/cares to attend this meeting and ask if you can organise childcare if you are able to. School is unable to provide Crèche facilities during these meetings.

### Keeping Children Safe

Please ensure when you collect your child/children at the end of the school day, particularly children in the Nursery, Reception and Infants that you **hold onto their hand/s** and **keep close by you**. Whilst we have staff on all the external school gates to meet and greet it can be difficult to monitor every child going through the gate during these very busy times.

Mrs Alyson Rigby (Headteacher)

# Measles: Are there different MMR vaccines?

You have probably heard a lot about measles in the news. There is a large outbreak in Birmingham mainly affecting children under 10 years old. Many children have needed to be admitted to hospital. Measles can cause serious problems including meningitis and hearing loss and can cause death.

The best way to protect against measles is to get two doses of the MMR vaccine.

There are two different versions of the MMR vaccine that are available for free through your GP. One of them contains gelatine and the other one doesn't.

They are both very effective and safe.

If you don't want the vaccine which contains gelatine, don't worry. You can still have the vaccine.

All you have to do is ring ahead to your GP practice and let them know, so they can have the right one ready for you. It's as simple as that.

There is more information about vaccines and porcine gelatine at this [link](#):

Children are invited for their first dose of the MMR vaccine when they are between 12 and 13 months old and the second dose is given around 3 years and 4 months. Children can receive the vaccine at any age after this, so if your child has missed either of these doses or you are not sure just contact your GP practice.

For more information, visit: <https://www.nhs.uk/conditions/measles/>

**MEASLES**  
Don't let your child catch it  
- get them vaccinated with the MMR vaccine

- measles outbreaks happen when not enough children have been vaccinated
- measles can be a very serious disease, leading to ear and chest infections, fits, diarrhoea, and damage to the brain. Measles can kill
- your child is at risk of measles if he or she hasn't had the MMR vaccination
- 2 doses of MMR vaccine are needed to get the best protection
- if your child is due to have had 2 doses of MMR but has not yet received them, no matter what age they are, you should contact your GP to get them vaccinated as soon as possible\*
- if you can't remember if your child has had any, 1 or 2 doses of MMR vaccine, check his or her personal child health record (the Red Book). If this doesn't help, speak to your GP
- if you don't know how many doses your child has had, it's better to have 2 doses of MMR vaccine now rather than risk leaving them unprotected

\*In response to a local outbreak then the 2 doses can be given one month apart from the age of 18 months.

Some common questions about measles and the MMR vaccine are listed on the back of this leaflet

**MEASLES**  
Nu vă lăsați copilul să se îmbolnăvească  
- imunizați-l cu vaccinul MMR (impotriva rujelei, oreionului și a rubeolei)

- Rujeola a revenit în actualitate. Au existat focare epidemice grave în Țara Galilor și Anglia, iar numărul copiilor care se îmbolnăvesc de rujeolă este în creștere.
- Rujeola poate fi o boală foarte gravă, care poate duzeala infecții la nivelul urechilor și al toracelui, crize, diaree și leziuni ale creierului. Rujeola poate ucide.
- Copilul dumneavoastră este expus riscului îmbolnăvirii cu rujeolă dacă nu a fost imunizat împotriva rujelei, oreionului și rubeolei.
- Sunt necesare două doze de vaccin MMR împotriva rujelei, oreionului și rubeolei pentru a obține cea mai bună protecție.
- Dacă copilului dumneavoastră trebuie să i se administreze cele două doze de vaccin MMR împotriva rujelei, oreionului și rubeolei, dar încă nu le-a primit, indiferent de vârsta acestuia, trebuie să vă adresați medicului de familie pentru a-l vaccina cât mai curând posibil.
- Dacă nu vă puteți aminti dacă copilului i s-au administrat una sau două doze de vaccin MMR împotriva rujelei, oreionului și rubeolei, verificați fișa medicală a copilului (Cartețelul Roșu). Dacă acest lucru nu vă ajută, adresați-vă medicului de familie.
- Dacă nu știți câte doze i s-au administrat copilului dumneavoastră, este mai bine ca să primiți acum cele două doze de vaccin MMR împotriva rujelei, oreionului și rubeolei decât să riscați să îl lăsați neprotejat.

\*Ca răspuns la un focar epidemic local, cele două doze pot fi administrate la o lună distanță între ele, începând cu vârsta de 18 luni.

**MEASLES**  
Ochroń swoje dziecko przed zarażeniem się  
- zaszczepi je przeciw odry, śwince i różyczce (szczepionka MMR)

- Odra znów pojawia się w wiadomościach. Na terenie Włoch i Anglii odnotowano znaczny wzrost zachorowań, zwiększa się liczba dzieci zarażonych odry.
- Odra jest groźną chorobą, która może prowadzić do zapalenia ucha, infekcji dróg oddechowych, drgawek, biegunki oraz uszkodzenia mózgu. Odra może prowadzić do śmierci.
- Zachorowaniem na odrę zagrożone są dzieci, którym nie podano szczepionki MMR.
- Najlepszą ochronę zapewniają dwie dawki.
- Jeżeli dziecku nie podano zalecanych dwóch dawek szczepionki MMR, należy skontaktować się z lekarzem pierwszego kontaktu i zaszczepić je jak najszybciej, niezależnie od jego wieku.\*
- W razie niepewności, czy dziecko zostało zaszczepione lub czy podano mu jedną, czy dwie dawki szczepionki MMR, należy sprawdzić jego książeczkę zdrowia (Red Book). Można również skontaktować się z przychodnią lekarską.
- Jeżeli nie wiadomo, ile dawek szczepionki otrzymało dziecko, lepiej podać mu dwie dawki szczepionki MMR niż ryzykować pozostawienie go bez ochrony.

\*Dzięki w odpowiedzi na lokalny wzrost zachorowań można podać dziecku dwie dawki szczepionki w odstępie jednego miesiąca po ukończeniu przez nie 18. miesiąca życia.

### Class Focus: Olympians

This week we have been learning about British Values and we had an interesting discussion about what that means and what it is to be part of a democracy. We discussed the cost of living crisis and the difficulties farmers are facing in the EU. We also looked at the rights of children and what it means to have "protected characteristics". Our children made some really interesting points and showed a great understanding of what democracy means.

We really enjoyed the whole school Book Breakfast. It's so nice to meet all the parents and carers who come in and share books together. It's an exciting event and really gets the children talking about the books they like and the ones they read with their families.

In maths, we have started looking at conversion. We have been measuring things around the classroom and converting cms to mm. The children have really got involved and love practical maths lessons. They understand why it's important to measure correctly and what kind of applications and uses it can have in the real world.

## Integrity, Respect & Aspiration:

Colossians 3:12-14 Saints

St. Patrick of Ireland is one of the world's most popular saints.

He was born in Roman Britain and when he 14, he was captured by Irish pirates during a raiding party and taken to Ireland as a slave to herd and tend sheep.

Patrick's captivity lasted until he was twenty, when he escaped after having a dream from God in which he was told to leave Ireland.

O, Heavenly Father,  
Give me a heart like the heart of  
Jesus,  
A heart more ready to serve  
than to be served,  
A heart moved by compassion  
toward the weak and  
oppressed,  
A heart set upon the coming of  
your kingdom in the world of  
men and women.  
Amen

Regular attendance at school is the single most important factor in a child/children making appropriate progress and achieving success. Good, regular and punctual attendance means doing well academically, developing better relationships with other children and positive behaviour. It also sets up good habits for when young people enter into work and life.

We aim for average school attendance to be 97% There are 190 days in a school year which leaves 175 days to spend on family time, shopping, appointments and other things.

It is also important to arrive at school on time. If a child arrives late to school every day, their learning begins to suffer. This graph shows how being late to school every day over a school year adds up to lost learning time.

**Should I keep my child off school?**

**Yes** (if child is unwell)

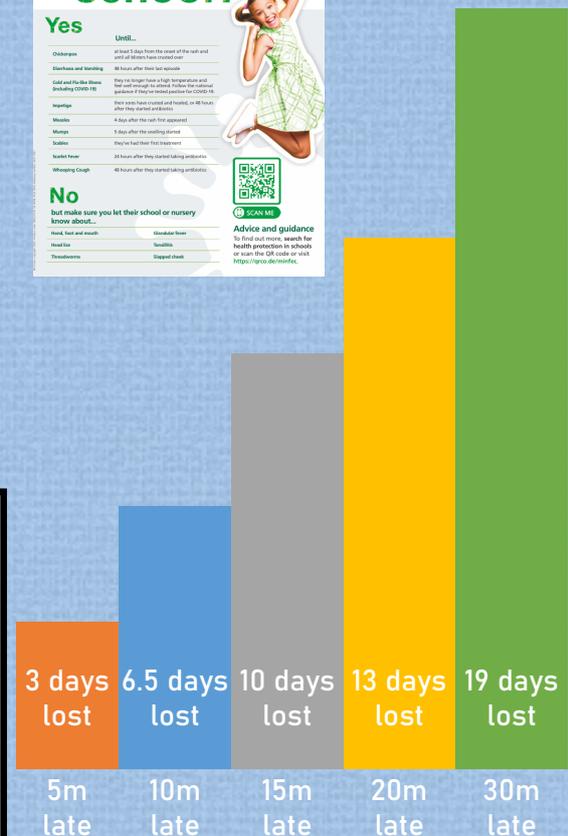

**No** (if child is well)
