

Mission Statement

And now I give to you a new commandment: love one another, as I have loved you, so you must love one another' John 13:34

'With Jesus we can achieve what we dream and believe'

School Mission (Autumn 2024)

Our Core Values

Tolerance and Respect: Relationships based on equality, trust and sincerity

Integrity and Honesty: Decisions and actions based on Christian values- 'Doing the right thing'

Joy and Happiness: Celebrating the gifts, skills and talents of all in our school community

Peace and Forgiveness: Always being willing to say sorry and rebuild a broken relationship

Friendship and Nurturing: High expectations for all in learning and behaviour

Courage and Aspire: Personal drive and passion inspiring all

Diversity and Equality: Accepting and promoting differences, whilst raising awareness that all should be treated equally.

As a catholic school the foundation of all we do is based upon Christ and his gospel values.
The values that we embrace underpin every aspect of school life.

Rationale

'I HAVE COME THAT YOU MIGHT HAVE LIFE AND HAVE IT TO THE FULL'
(Jn.10.10)

We are involved in Relationship, Sex and Health Education (RSHE) precisely because of our Christian beliefs about God and about the human person. The belief in the unique dignity of the human person made in the image and likeness of God underpins the approach to all education in a Catholic school. Our approach to RSHE therefore is rooted in the Catholic Church's teaching of the human person and presented in a positive framework of Christian ideals.

At the heart of the Christian life is the Trinity; Father, Son and Spirit in communion, united in loving relationship and embracing all people and all creation. As a consequence of the Christian belief that we are made in the image and likeness of God, gender and sexuality are seen as God's gift, reflect God's beauty, and share in the divine creativity. RSHE, therefore, will be placed firmly within the context of relationship as it is there that sexuality grows and develops.

Following the guidance of the Bishops of England and Wales and, as advocated by the DFE, RSHE will be firmly embedded in the PSHE/RSHE framework as it is concerned with nurturing human wholeness and integral to the physical, spiritual, emotional, moral, social and intellectual development of pupils. It is centred on Christ's vision of being human as good news and will be positive and prudent, showing the potential for development, while enabling the dangers and risks involved to be understood and appreciated.

All Relationship, Sex and Health Education RSHE will be in accordance with the Church's moral teaching. It will emphasise the central importance of marriage and the family whilst acknowledging that all pupils have a fundamental right to have their life respected whatever household they come from. It will also prepare pupils for life in modern Britain.

Intent

St. Michael's Catholic Primary School aims to provide a suitable programme that follows the statutory need to include RSHE into their curriculum from September 2021 which meets the ethos of its Catholic identity and mission.

The purpose of this Relationship, Sex and Health Education (RSHE) policy is to set out the ways in which the school's provision supports pupils through their spiritual, moral, social, emotional and physical development, and prepares them for the opportunities, responsibilities and experiences of life growing up in today's world.

Our School's mission embraces the spiritual, physical, intellectual, emotional, moral and social development of children and young people, and, through an agreed approach to Relationship and Sex Education (RSE) using the Archdiocesan recommended resource 'Journey In' Love 2020, we believe that we can promote the development of the whole child, so that children can grow in virtue, wisdom and stature, understanding both the emotional, social and physical aspects of growing spiritually, as well as moral aspects of relationships within a context of a Christian vision for the purpose of life.

The other aspects of the Statutory curriculum intent will be met by using a cross curricular approach. There are many opportunities throughout the curriculum, but the subjects most involved in providing discrete opportunities for teaching and learning of the RSHE curriculum are RE, though the Come and See programme, PSHE including No Outsiders, Science, PE and Computing.

For further details on how this will be covered in each year group, please see the curriculum maps in appendices.

Aim

The aims of Relationship, Sex and Health Education (RSHE) at St Michael's are to:

- Provide a framework in which sensitive discussions can take place.
- Help pupils develop feelings of dignity, self-worth, self-respect, confidence and empathy.
- Prepare pupils for puberty and give them an understanding of sexual development and the importance of health and hygiene.
- Create a positive culture around issues of sexuality and relationships.
- Teach pupils the correct vocabulary to describe themselves and their bodies.

Statutory Requirements

At St Michael's, we must provide Relationships Education to all pupils as per section 34 of the Children and Social work act 2017.

In teaching Relationship and Sex Education, we must have regard to:

- Catholic Education Service guidance issued by the Bishops Conference of England and Wales 2017.

- The statutory guidance from the Department for Education issued under Section 80A of the Education Act 2002 and section 403 of the Education Act 1996 Appendix A.
- The statutory guidance from the Department for Education Equality Act 2010.

Policy Development

This policy has been developed in consultation with staff, pupils and parents. The consultation and policy development process involved the following steps:

1. Review: Alyson Rigby (Head-Teacher/RSHE Lead), Nicola Roscoe (RE Co-Lead), Chelsea Howard (PSHE Lead), Governors and Julie Rourke (Primary Adviser, Archdiocese of Liverpool Christian Education Team).
2. Staff consultation: All school staff were given the opportunity to look at the policy and make recommendations.
3. Parent/stakeholder consultation: Parents were invited to attend meetings about the program of study, policy and resources.
4. Pupil consultation – we investigated what exactly pupils want from their Relationship Sex and Health Education.
5. Ratification – once amendments were made, the policy was shared with governors and ratified.
6. Amended by RSHE Lead in May 2025 to update any necessary changes.

Definition

Relationship, Sex and Health Education involves a combination of sharing information, and exploring issues underpinned by our Catholic values.

Relationship Sex and Health Education is about the emotional, social and cultural development of pupils, and involves learning about personal relationships, sexual health, sexuality, healthy lifestyles, diversity and personal identity.

Curriculum

We have developed our curriculum with recommendations from the Archdiocesan Education Department to ensure that they meet with Catholic Church teaching.

Consultation with parents took place in November 23 and Relationship Sex Education is now being covered using the Archdiocesan recommended resource 'Journey in Love' 2020 this includes *sexual intercourse at Year 6. (See right of withdrawal)

We have considered the age, stage and feelings of pupils and have consulted with parents and staff to ensure we are offering a quality curriculum which is adequately catered to meet their needs. We have adapted the PSHE Association Primary Scheme of Work.

If pupils ask questions outside the scope of our curriculum, teachers will respond in an appropriate manner so they are fully informed and do not seek answers online.

Delivery of RSHE

Relationship and Sex Education (RSE) is taught both discretely and within the Personal, Social and Health Education (PSHE) curriculum lessons. Some aspects of the RSHE curriculum may be touched upon in other lessons as it shares links with Religious Education, Science and Physical Education.

Our RSHE will ensure that content is relevant to the age, experience and maturity of pupils.

The new statutory guidance for Relationships education focuses on teaching the fundamental building blocks and characteristics of positive relationships including:

- Families and people who care for me.
- Caring friendships.
- Respectful relationships.
- Online relationships.
- Being safe.

These areas of learning are taught within the context of 'family life' and could include married or single parent families, same sex parents, families headed by grandparents, adoptive parents, foster parents/carers amongst other structures, along with reflecting sensitively that some children may have a support structure around them (for example: looked after children or young carers).

As a school, we promote equality of opportunity and foster good relations. Our school environment uniformly applies values of inclusion and respect to all pupils and their families. All staff are proactive in promoting positive relationships and receive regular training.

Equal Opportunities

All pupils have access to the RSHE curriculum. Where pupils have specific educational needs, arrangements for support may be made as follows:

- Place2Be: A comfortable, safe place for our children, where they can speak and listen, relax and speak to a member of staff about any worries or concerns.
- Healthy and trusting relationships with all members of staff within our school.
- Learning mentors who conduct timetabled activities for communication, social and speaking and listening skills.
- Intervention and provisions in class, 1:1 or small group sessions with Class Teacher or LSA/HTLA.

Roles and Responsibilities

The Governing Body will approve the RSHE policy and hold the head-teacher to account for its implementation.

The Head-teacher is responsible for ensuring that RSHE is taught consistently across the school and for managing requests to withdraw pupils from the non-statutory element of Relationship and Sex Education in Year 6* (see right of withdrawal)

Staff do not have the right to opt out of teaching RSHE as this forms part of the Teaching Standards. Any staff who have concerns about teaching RSHE are encouraged to discuss this with the head-teacher. Staff are responsible for:

- Delivering RSHE in a sensitive way which complies with Church teaching.
- Modelling positive attitudes to RSHE.
- Monitoring progress.
- Responding to the needs of individual pupils.
- Responding appropriately to pupils whose parents wish them to be withdrawn from the non-statutory components of RSE.

Pupils are expected to engage fully in RSHE and, when discussing issues related to RSHE, treat others with dignity, respect and sensitivity.

Parents have **the right to withdraw** their children from the non-statutory component of sex education in Year 6. This is where sexual intercourse is taught discretely as part of the Physical aspect within Journey in Love the Archdiocesan recommended resource.

Requests for withdrawal should be made in writing and addressed to the head-teacher. The head-teacher will discuss the request with parents and take appropriate action.

Alternative work will be given to pupils who are withdrawn from RSE.

Parents do not have the right to withdraw their children from Statutory Relationships Education as set out in the DFE guidance 2020.

Monitoring Arrangements

The delivery of RSHE is monitored by Alyson Rigby (RSHE Lead) and Donna McEntee(PSHE Lead) by undertaking learning walks, staff and pupil consultations, planning and scrutiny of work evidenced through half-termly PowerPoint, and questionnaires.

Pupils' development in RSE is monitored by class teachers as part of our internal informal assessment systems.

This policy will be agreed annually by the governors and reviewed every three years.

Resources

See Appendix A for details of where the following resources are used across the RSHE curriculum.

To know that there are some cultural practices which are against British law and universal rights Deepen awareness of current environment issues in the context of God's creation including allocation of resources Explore ways to look after money and the benefits of saving for future needs					

Appendix 2Come and See and
Relationship and Sex Education**Introduction**

The following is intended as a guide for linking Relationship and Sex Education with Come and See. Some of these aspects might be covered in the EXPLORE section where the topic is being introduced, starting with the pupil's own experience, and extending into the REVEAL and RESPOND sections. Some ideas may be used in the REVEAL process where the teaching is explicitly concerned with Scripture and the teaching of the Church. Some topics offer more explicit teaching to develop ideas about Relationship and Sex Education, some less so.

Another way of using this section is when teaching Religious Education which occurs in other aspects of the curriculum e.g. Science, P.E, PSHE etc.

EARLY YEARS		
MYSELF	God knows and loves each one	<ul style="list-style-type: none"> • Each one's name is important • I am special and have a special name • I have a family name • Everyone is precious to God
WELCOME	Baptism a welcome to God's family	<ul style="list-style-type: none"> • How we are made to feel welcome • How do we show others that they are welcomed? • How is a baby welcomed into a family?
BIRTHDAY	Looking forward to Jesus' birthday	<ul style="list-style-type: none"> • Why do we celebrate birthdays? • What a birthday is • What people do while they wait for a birthday • Some of the ways birthdays are celebrated
CELEBRATING	People celebrate in church	<ul style="list-style-type: none"> • Why is celebrating important?

		<ul style="list-style-type: none"> • What is good about celebrating together? • What a celebration is • Different elements of celebration • Different ways of celebrating
GATHERING	The parish family gathers to celebrate Eucharist	<ul style="list-style-type: none"> • Why do we gather together? • How we gather as a church/parish family • What are the things that are better done together and why? • The importance of gathering
GROWING	Looking forward to Easter	<ul style="list-style-type: none"> • The ways in which we grow • That spring is a time when things begin to grow • The ways in which we can grow in love to be more like Jesus

Appendix 3

Statutory Science Curriculum

Early Years Foundation Stage children learn about life cycles. Through on-going personal, social and emotional development they develop the skills to form relationships and think about relationships with others.

In Key Stage 1 children learn:

- That animals, including humans, move, feed, grow and use their senses and reproduce
- To recognise and compare the main external parts of the bodies of humans
- That humans and animals can reproduce offspring and these grow into adults
- To recognise similarities and differences between themselves and others
- To treat others with sensitivity

In Key Stage 2 children learn:

- That the life processes common to humans and other animals including nutrition, growth and reproduction
- About the main stages of the human life cycle
