Intervention Ticket

Intervention Support

Your child will be taking part in **Gingerbear** sessions during this half term. This will further develop their **Communication and Interaction skills.**

Thank you

Pastoral Team

Sometimes our children require additional or different support to that of their peers. When this happens school will use a graduated approach to implement support, which is overseen by Mrs Reilly.

We use:

- High Quality First Teaching Approaches- (Wave 1) support
- Interventions with Learning Mentors (Wave 2)
- Specialist support from an outreach service like seedlings, speech and language, OT or an educational psychologist (Wave 3).

Children on the SEND register will receive an Intervention Ticket this year to inform you if they are starting an intervention with Learning Mentors.

Every child on the SEND register has a learning plan, with SMART targets, which you will receive before parents evening.

Pastoral Team

We help support the children with SEND interventions, emotional and social well-being, as well as wider family support. Please feel free to speak to us about any concerns or help you may need.

Upcoming Events for Parents:

- **SEND intervention Parent Coffee Morning 17/09/25 at 9:10 am**
 - Come and find out more information about our SEND interventions your child will attend.
- **ASD Parent Q & A session 02/10/25 9:15 am**
 - The ASD team will be in to support answering any questions and providing support for parents with children on the pathway or diagnosed or for those with concerns of ASD traits in their child.
