With Jesus we can achieve what we dream and believe.

Summer Term, 1st May 2026

## Our WONDERFUL staff:

Congratulations to our incredible **Ms Jones** from EYFS who ran the London Marathon last week, raising money for PE at St Michael's. Ms Jones is a true credit to our school, staying behind and practicing 5k runs around our yard in the lead up to her marathon!!

Congratulations Ms Jones on your amazing achievement! If you would like to donate, here is the Just Giving link: [Just Giving link](#)

Another huge congratulations to our amazing **Miss Cornett** who has graduated this week and is now our fully qualified ELSA practitioner. As all of our families know, Miss Cornett is superb at supporting children's emotional wellbeing, self-esteem, friendships and social skills.

We are very lucky to have her. Well done Miss Cornett!

## St. Michael's Food Bank

Our school food bank is making a difference, but our shelves are now running low. To keep supporting our families, we would greatly appreciate donations of non-perishables like cereal, noodles, rice, pasta, tins and biscuits. Thank you for your continued support.

# Year 1 - Imagine That

Year 1 had a wonderful time at Imagine That Activiy Centre this week. They made slime, enjoyed a Science themed interactive show all about the marvellous science that is all around us as well as exploring the amazing Science and Art exhibitions and activities. The children's behaviour was fantastic as always and they showed curiosity to learn more about the world around them. Well done Year 1!

Today in science we learnt about herbivores (and animals that eats just plants). We investigated how herbivores use their teeth to crunch plant food by using a fork, spoon and rolling pin. We walked around and evaluated that the rolling pin was the best tool to crunch plant food because it had a flat even surface to grind food down into tiny parts. We looked at different animals that are herbivores and examined their teeth and discovered their teeth are flat to grind food down into tiny parts. We learnt pandas, tortoises, horses, cows, giraffes and elephants are herbivores.

## Liverpool Schools FA Announces Month-Long Exhibition at St George's Hall Celebrating Its Legacy and Future

Liverpool Schools Football Association (LSFA), in collaboration with Liverpool City Council, is very proud to announce a special month-long exhibition taking place throughout May in the Stables Gallery at the iconic St George's Hall.

The exhibition features amazing historical memorabilia, interactive exhibits and our team photos including legends such as Wayne Rooney and Stephen Gerrard when they were at school.

This landmark exhibition will celebrate the rich history, enduring legacy, and exciting future of the LSFA, highlighting its unique place in the sporting heritage of Liverpool and its lasting contribution to the social fabric of city. Visitors will have the opportunity to explore decades of school football heritage, discover inspiring stories from past and present participants, and gain insight into how the organisation continues to shape young lives across the city.

From humble beginnings in the 19th Century, to becoming a cornerstone of youth sport in Liverpool, the LSFA has played a vital role in fostering talent, promoting inclusivity, and strengthening community ties. The exhibition will showcase memorabilia, archival materials, and interactive displays that bring to life the impact of school football on generations of young people.

The event also aims to look forward, celebrating the future of the LSFA and its ongoing commitment to providing opportunities, nurturing potential, and supporting the wellbeing of young people and vital local initiatives through sport.

Members of the public, schools, ex-players and staff, and football enthusiasts are all encouraged to attend and be part of this celebration of Liverpool's proud sporting heritage.

If schools would like to bring groups to the exhibition, we can arrange a guided tour from one of our staff.
