Upcoming Events:

We continue on our journey to build on our 'Centre of Excellence' achievement, as we showcase the work we have completed for the Inclusion Quality Award

Year 1 Clay Art Project - Diversity Theme

As part of our learning about diversity, Year 1 children created beautiful clay self-portrait tiles. They carefully observed their own features and used clay to represent what makes them unique. This creative project encouraged discussions about individuality, respect, and belonging, helping the children appreciate both their own identities and the differences that make our community special. When displayed together, the tiles create a wonderful mural that celebrates the diversity and uniqueness of every child.

Refugee Week - 'Courage'

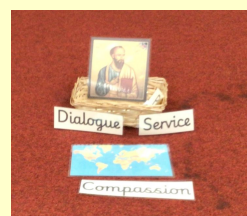

This week, our school celebrated Refugee Week under the theme of 'Courage' through a series of inspiring, school-wide activities. Students from EYFS to Key Stage 2 took part in daily acts of kindness and interactive assemblies, alongside wonderful creative projects including Year 1 clay-tile making, a Key Stage 2 live poetry workshop and the crafting of 'Courage Trophies.' It was a deeply meaningful week that beautifully highlighted our students' empathy, creativity, and commitment to making everyone feel welcome.

Year 4 Church Visit

On Tuesday 16th June, our two Year 4 classes, Hotshots and Inspirations, took a wonderful morning walk to the church for a special time of prayer and liturgy. The visit was centered around their current RE topic, Dialogue and Encounter. The children behaved brilliantly and spent time reflecting on how they can actively show compassion and kindness to others throughout the rest of this term.

As an extra special treat, the children even got to see Father Fitz, which made the morning complete! Thank you to Year 4 for representing our school so beautifully, and to Father Fitz for welcoming us so warmly.

Shakespeare Roadshow

Year 5

Year 5 had a fantastic visitor from NAL, who delivered an exciting drama workshop based on Macbeth. The visitor narrated the Shakespearean play while the children took turns stepping into the middle to act out different characters and scenes. The story was brought to life and we all had the chance to perform.

What's new on Class Dojo this week?

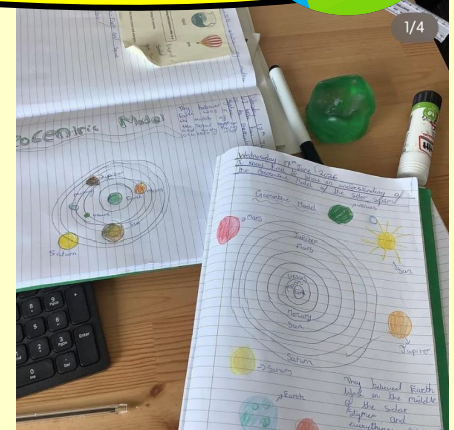

Make sure you're following along to see what each class are learning...

In Art, we are learning about architecture and have compared large and small homes, looking at their design, features and how they are used. We have also explored different building styles and how architects create interesting and practical spaces.

In PE, we have been doing athletics and practicing different throwing events as well as relay races.

In science we learnt about the old geocentric model of the solar system and how it was believed that Earth was at the middle of it!
