

St Michael's News

With Jesus we can achieve what we dream and believe.

Summer Term, 21/07/2026

A message from Mrs Gordon:

Wow, where do I even begin? As we reach the end of another wonderful academic year, I would like to take a moment to reflect on all that we have achieved together as a school community.

This week has been a joyful one as we have celebrated the many achievements of our pupils and looked back with pride on everything they have accomplished throughout the year. Every child at St. Michael's should be incredibly proud of themselves. Their hard work, determination, kindness and enthusiasm have made this another memorable year, and it has been a privilege to celebrate their successes with them.

Today, we also say farewell to several valued members of our staff. We wish Ms O'Kane every happiness as she relocates to Ireland, Miss Steiner all the very best as she heads off on her travels, Miss Norman every success as she begins an exciting new career, Miss Cluney as she embarks on the adventure of teaching abroad, Miss Haimes as she begins her new teaching role, and Miss Hossain as she starts her teacher training journey. Each of them has made a valued contribution to St. Michael's, and we thank them for all they have given to our school. They leave with our love, gratitude and very best wishes for the future. Please come back and visit!

I would also like to say a heartfelt thank you to all of our parents and carers. Your unwavering support, encouragement and partnership throughout the year mean so much. Together, we truly are one wonderful St. Michael's family, and we are incredibly grateful for everything you do to support our school.

To our amazing staff, thank you for your relentless hard work, dedication and commitment every single day. Your care, passion and determination ensure that our children receive the very best opportunities to learn, grow and flourish. What a fantastic team you are. I feel incredibly proud to be the Headteacher of such a wonderful school, surrounded by such talented, caring and committed colleagues. I couldn't do it without you!

Finally, we say a very special farewell to our wonderful Year 6 pupils. Thank you for the outstanding example you have set for the younger children and for the many contributions you have made to our school community during your time at St. Michael's. You leave us with many happy memories, and whilst we will miss you greatly, we know you are more than ready for the exciting opportunities that lie ahead. We wish each of you every success and God's richest blessings as you begin the next stage of your journey at secondary school. Remember, you will always hold a very special place in the heart of St. Michael's, and you will always be part of our school family. Don't forget us!

As another successful year comes to a close, I wish every member of our St. Michael's family a safe, happy and restful summer. I hope you enjoy spending precious time with your loved ones, making wonderful memories and returning refreshed and ready for another exciting year together in September.

With warmest wishes,

Mrs Gordon, Headteacher.

Upcoming Events

SUMMER BREAK

Wishing you all a wonderful
Summer break!

**School opens again for the new
school year on Wednesday 2nd
September.**

Goodbye Year 6!

Today we say a final farewell to our
wonderful Year 6 cohort.
We are so proud of you!

Year 2 Knowsley Safari

End of Year Trip

Year 2 had a wonderful day at Knowsley Safari Park. They saw lots of different animals including lions, giraffes, rhinos and wildebeest. Luckily, there were lots of baby animals for them to see. The children found out that baby camels are called calves. The children also got to see the fantastic sea lion show and the birds of prey display. The children's behaviour was outstanding - they were super ambassadors of St. Michael's!

Reception Church Visit

This week, Reception went to visit Father Fitz at St Michael's Church. Father Fitz led a special collective worship, and the children said some prayers and sang hymns. It was a beautiful service, and the children were very excited to be there. The children have enjoyed learning about how St Michael's school and St Michael's church is one big family.

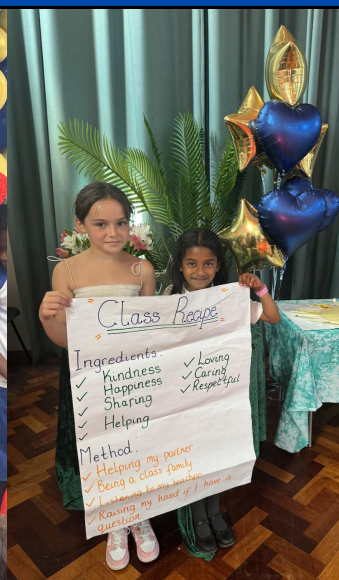

Year 6 Prom

Year 6 partied hard last night at their prom! They celebrated in style after a year of hard work, dedication and commitment. Everyone looked absolutely sensational and had the best time! 🎉🥳😄

Prize Giving Assembly

Year 1 Balance Biking

This week, our Year 1 children took part in Bikeability training. They had a fantastic time developing their cycling skills while learning how to ride safely and confidently. The sessions helped them practise balancing, steering, stopping, and being aware of their surroundings. We are very proud of the children's enthusiasm, determination, and excellent listening throughout the training.

Year 6

End of Year Trip

Year 6 enjoyed their final trip to Gulliver's World. We spent the day exploring the park and challenging ourselves on some terrifying rides! The children were excellent ambassadors for our school, a wonderful time was had by all!

Nursery Graduation

We had a wonderful time at our nursery graduation. The children sang and danced beautifully. Thank you so much for the continued support over the past year. It has been a pleasure to teach the children and watch them flourish and progress. We will miss them and wish the children luck as they embark on their new learning journey into Reception or returning to nursery with their new teacher.

OPEN WATER: DON'T TAKE THE RISK

Swimming in or playing near rivers and canals may seem like a great idea, particularly on a warm day, but it could all end in tragedy. **DON'T take the risk.**

THE WATER IS COLD...

...even on very warm days, rivers and canals contain water barely above 10 degrees. Sudden immersion can lead to cold water shock, which can cause gasping and intake of water.

This can be deadly in a matter of seconds.

DID YOU KNOW?

Even the narrowest of rivers can be considerably deep. Rivers are subject to strong flow and **hidden currents** which can trouble even the strongest of swimmers.

WHAT LIES BENEATH?

The water is untreated and can make you ill.

Canals and rivers contain pollutants, sewage and often unseen underwater obstructions and snag hazards.

Debris under the water such as shopping trolleys, broken glass and cans can cause **injury** or **trap** you.

Remember, there are no lifeguards to help you at your local river, lake, canal or dam.

Rivers can be very difficult to climb out of, especially with steep or slimy banks. **Stay clear of rivers with steep or unguarded banks.**

IN AN EMERGENCY...NEVER enter the water to try and help a person or animal. You could get into difficulty yourself. Instead, dial 999 and use any water rescue equipment that is available.

If you fall into the water unexpectedly, fight your instinct to thrash around. Instead, lean back, extend your arms and legs & float.
