

Ready Steady Write Progression Overview EYFS

A	B	C	D	E	F
Grammar: Word					
Children will acquire an increased amount of grapheme-phoneme correspondences (GPC) across the reception year. It is important to encourage the application of subject skills and knowledge skills and knowledge when encoding to spell words in writing of taught GPCs. This may take place during teacher-led activities and across the provision as part of a broad and balanced EYFS provision. Phonemically plausible attempts until new graphemes have been taught. There is an emphasis in this progression document on the role of mark making and writing as forms of communication. Children will be at different stages of development from mark making for meaning to writing sentences. Children's physical development and letter formation knowledge will also be developing at different rates, influencing their ability to write in sentences. *Words shown below need to be in line with phonics scheme being followed by your school.
