

St Michael's Catholic Primary School

Snow, Ice and Adverse Weather Policy

December 2025

'With Jesus we can achieve what we dream and believe'

Statement of intent

It is the aim of St Michael's Catholic Primary School to ensure the school remains open during adverse weather conditions, when practically possible, providing that this can be done in a safe manner.

St Michael's Catholic Primary School intends to, wherever possible, make the decision to close the school before the teaching day commences, rather than defer the decision and delay the opening of the school.

The purpose of this policy is to:

- Make the appropriate procedures clear, in relation to operating the school during adverse weather conditions.
- Make clear the grounds for a school closure due to adverse weather conditions.
- Advise and inform staff and parents of the systems and procedures in place in the event of a school closure due to adverse weather conditions.
