PE is every Tuesday and Friday
for Reception.

A St. Michaels PE kit is required.

Reception children are given a P.E Kit supplied by school.
Any additional kits must be purchased by parents.

Children should come to school wearing their
P.E. kit on these days.

Supporting your child

What you can do to help?

Attendance and Punctuality – on time and attend school every day. Inform school morning of absence to prevent home visit.

English – Encourage your child to read for pleasure. Share books with your child and talk about them together. Good readers become good writers. Model good grammar/vocabulary. Practice phonics with your child. Your child's teacher will send home materials for this.

Maths - Basic skills - Counting, recognising an amount of objects, identifying numerals. Use language of maths, size, length, shape. Teach your child the time.

Ensure school has up to date contact details – should be contactable at all times

Download school app Arbor – You will be sent an invitation link for the App via email/ text, please click on link from St Michael's and follow instructions to activate your account.

Learning Plan

Sometimes our children require additional or different support to that of their peers. When this happens school will use a graduated approach to implement support. We use:

- High Quality First Teaching Approaches- (Wave 1) support
- Interventions with Learning Mentors (Wave 2)
- Specialist support from an outreach service like seedlings, speech and language, OT or an educational psychologist (Wave 3).

Children on the SEND register will receive an Intervention Ticket this year to inform you if they are starting an intervention with Learning Mentors.

Every child on the SEND register has a learning plan, with SMART targets, which you will receive before parents evening.

Relationship and Sex Education (RSE)

The content is age-appropriate and is taught with sensitivity, taking into account the children's level of maturity in regard to the delivery of the lessons.

'A Journey in Love' is the recommended programme of study for Catholic schools for Sex and Relationship Education, and has been written as a progressive scheme of work that supports the teaching of RE and PSHE. The programme focuses on friendship, family, community, relationships and spirituality and supports the children's development as young Catholics in the 21st century.

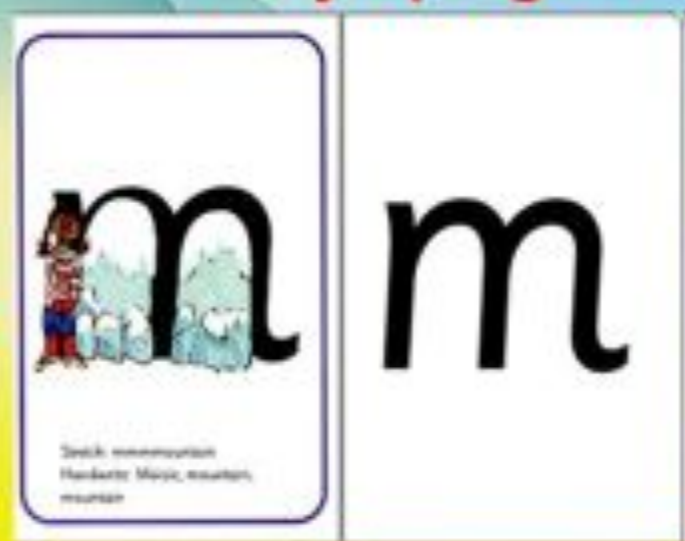

See the school's website for more information.

We value your opinion - please fill in a questionnaire!

Phonics

- Follow Read Write Inc programme.
- Children are taught to read and write a sound a day.
- We will send home the links or QR codes for sounds the children have learnt that week on a Friday on your child's class dojo page. Some children may get QR codes sent home throughout the year.
