Learning Plan

Sometimes our children require additional or different support to that of their peers. When this happens school will use a graduated approach to implement support. We use:

- High Quality First Teaching Approaches- (Wave 1) support
- Interventions with Learning Mentors (Wave 2)
- Specialist support from an outreach service like seedlings, speech and language, OT or an educational psychologist (Wave 3).

Children on the SEND register will receive an Intervention Ticket this year to inform you if they are starting an intervention with Learning Mentors.

Every child on the SEND register has a learning plan, with SMART targets, which you will receive before parents evening.
