Nursery Church Visit

Nursery had a wonderful time visiting St. Michael's Catholic Church. They have been practising the sign of the cross with Father. He was very impressed. A massive thank you to the parents who came to support us on our visit.

Y1 Spotlight

Year 1 has had another busy week of learning. In English the children continued their work inspired by Old Bear, writing the third part of their letters to explain how toys could help save the Tin dog from the attic. They have been developing their ideas and using their writing skills to help the toys.

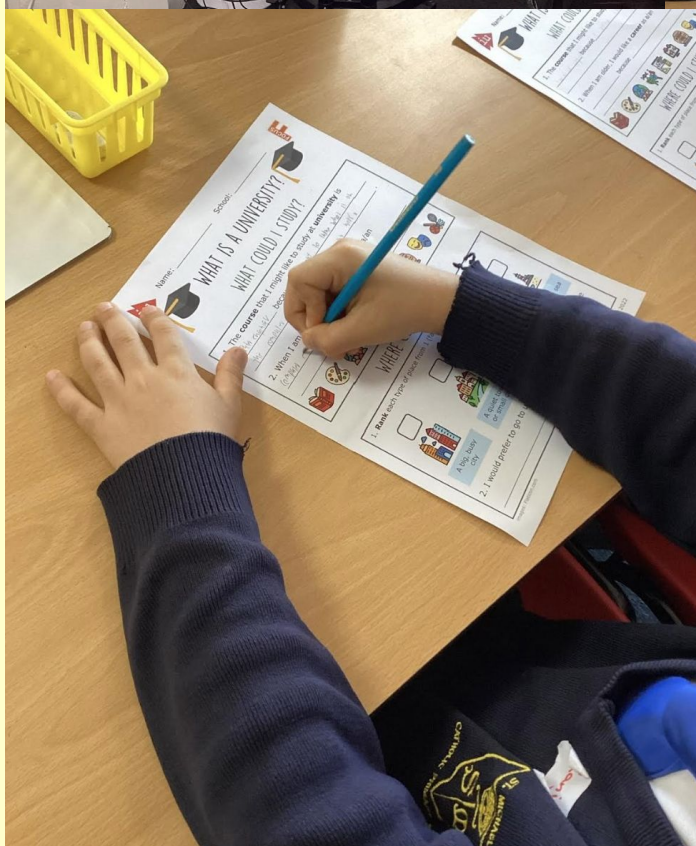

In maths, the children used Numicon to explore calculations practically. They represented each calculation using the Numicon pieces, wrote the corresponding number sentences and worked out the answer. This hands on approach helped the children develop their understanding of number calculations.

Year 1

Y5 'Into University' Workshops

This week, Year 5 had the opportunity to take part in workshops with IntoUniversity. IntoUniversity aims to inspire children to further their education by helping them to understand what University is. During the sessions this week, the children found out: what a university is; the different courses available at university; where people live when they attend university and the various clubs and societies that young adults can become involved with. A lot of the children left the sessions this week feeling more inquisitive about university - they cannot wait for the next workshops so they can find out more.

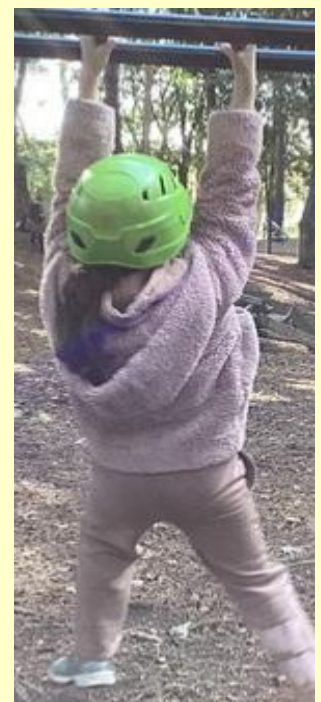

Year 3 Museum Trip

On Thursday 14th October Year 3 travelled to the World Museum in town to explore a morning based on their History topic of Ancient Egypt. Children explored various Egyptian Artefacts including canopic jars, mummification and Egyptian tombs. Children made many links to their own History work and showed of their History Knowledge. Children really enjoyed their morning and represented St Michaels exceptionally well. Thank you to our parent helpers. Miss McEntee & Mr Ferry
