Autumn Term 2026-2027

A message from Mrs Gordon:

Wow — what a lovely week we have had had.

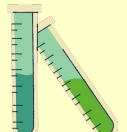

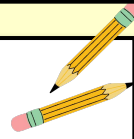

Tuesday was a very special day in our school calendar as we celebrated the Feast Day of St. Michael the Archangel. A huge thank you to our wonderful Year 5 pupils for preparing and leading such a beautiful assembly — you did a fantastic job and really helped us all to celebrate the special day together. In the afternoon, all of our classes enjoyed some new games and, of course, a few biscuits — a lovely way to continue our celebrations!

A big congratulations also goes to our talented Cross Country team, who competed at Newsham Park on Wednesday evening. We are incredibly proud of the way you represented St. Michael's — showing determination, enthusiasm and fantastic team spirit. Well done to you all!

Thank you so much to everyone who has already brought in donations for our Harvest Food Hampers. Your generosity will help us to support families in our local community. If you are able to spare any further non-perishable food items, these would be greatly appreciated. Please ask your child to pass any donations to their class teacher — every contribution, however big or small, makes a difference.

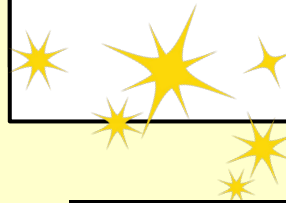

I also want to say a huge well done to all of the pupils who have brought their work to show me over the last week. The standard of work being completed across all areas of the curriculum is simply brilliant — I have been so impressed! From reading diary entries to being wowed by pupils' scientific understanding of the different parts of a plant, I absolutely love seeing the children share their work with such pride. It is wonderful to see their enthusiasm for learning and the progress they are making.

I look forward to seeing many of you at our Year 3 and 4 Harvest Assembly on Monday in church, followed by our KS1 Harvest Assembly on Tuesday in school. I know both will be wonderful celebrations and I am looking forward to sharing these special moments with you. Have a wonderful weekend —Mrs Gordon.

Cross Country- Newsham Park

Our cross country team worked incredibly hard this week, battling against the wind and rain during their race at Newsham Park.

We are so proud of all of the children who completed- their determination and resilience is truly admirable.

Today in Maths we have been ordering numbers from greatest to smallest and vice versa.

Wow! What an amazing St Michael's feast day assembly Year 5. You should all be proud of your outstanding behaviours, singing and reading during the assembly. Well done.
