# Reception Spotlight

This week in Reception, we've been very busy! We are building on our subitising skills in Maths, speedily saying 'how many' without counting and talking about special arrangements. We are continuing to learn a sound a day in phonics and have begun blending using magnet boards! We've enjoyed music sessions, retelling our key text and lots of exciting indoor and outdoor activities such large construction, chalk mark making and exploring the mud kitchen.

Year 6 have been researching the impact of different blood disorders in Science.

We have loved our first history topic in year 3 all about the Ancient Egyptians, today we completed our synoptic task to show how much we have learnt this half term. Miss McEntee was blown away by how much information the children have retained.

The Inspirations have planned a fair test to discover which substance was the best to melt ice with. Water melted the ice the quickest.

# Black History Month

As part of learning about Black History Month, 15 of our children had the incredible opportunity to attend a special youth event hosted by the LFC Foundation at Anfield Stadium!

During the event, our pupils learned about Black heritage, rich local history and the profound impact of Black culture both within Liverpool and across the wider world. It was an inspiring day filled with learning, reflection and celebration in an iconic local landmark. Our children represented St Michael's brilliantly, showing great curiosity, respect and enthusiasm throughout the day. Well done to everyone who took part!
